## **Feminism In Sea:**

**Gender and the Law of the Sea** Irini Papanicolopulu, 2019-05-07 Listen to the podcast with Nilufer Oral on Climate Change Oceans and Gender In Gender and the Law of the Sea a distinguished group of law of the sea and feminist scholars critically engages with one of the oldest fields of international law While the law of the sea has been traditionally portrayed as a technical gender neutral set of rules of concern to States rather than humans authors in this volume persuasively argue that critical feminist perspectives are needed to question the underlying assumptions of ostensibly gender neutral norms Coming at a time when the presence of women at sea is increasing the volume forcefully and successfully argues that legal rules are relevant to ensure gender equality and the empowerment of women at sea in an effort to render law for the oceans more inclusive See inside the book

**Sea Changes** Cora Kaplan, 1986 Radical feminism and literature Wild nights The feminist politics of literary theory Language and gender The indefinite disclosed The thorn birds Pandora s box Keeping the color in the color purple Wicked fathers Red Christmases Speaking writing feminism

**Sea Girl** Ethel Johnston Phelps, 2017-07-17 The third volume in this beautifully illustrated anthology features traditional tales of heroic women from China to Canada and beyond Long before Suzanne Collins created Katniss Everdeen and Octavia Butler wrote Parable of the Sower there were many traditional folktales full of adventure intrigue and intrepid female characters Feminist Folktales from Around the World collects these forgotten classics and presents them with original artwork by designer and illustrator Suki Boynton Volume three in the series Sea Girl features an introduction by Daniel Jose Older the New York Times bestselling author of The Book of Lost Saints In legends from China Finland India Canada and more brave heroines encounter monstrous rivers and ogres nests while outsmarting desperate sharks and hungry tigers They courageously save families and villages and most importantly they always choose their own fate

**Sea Changes** Cora Kaplan, 1987 [Mary Wollstonecraft and the Critics, 1788-2001](#) Harriet Devine, Harriet Devine Jump, 2003

**Framing Feminism** Rozsika Parker, Griselda Pollock, 1987 Feminism has been a major force in the reshaping of recent art The women s movement has given new confidence to women who work in the visual arts it has opened up new areas for art to deal with and challenged existing systems of values and imagery in the arts In their comprehensive introduction Rozsika Parker and Griselda Pollock provide a richly illustrated history of the British women s art movement covering the major events and debates in feminist art practice which have taken place over the last fifteen years They also examine the trends the conflicts and the new directions of the 1980s in which issues of race as well as gender have necessarily become prominent Griselda Pollock goes on to explore the place of feminist art in the context of post modern culture arguing that feminism is one of the most important and radical interventions in both modernism and post modernism back cover

**Marking Feminist Times** Margaret Henderson, 2006 With its challenge to nearly every facet of Australian society and culture the Australian women s movement has achieved much in a short period of time And it has attracted controversy fiery denunciation and equally passionate loyalty This book

explores how such a revolutionary social movement remembers its past The women s movement has always recognised the political importance of history narrative and language to changing the way we think and hence to changing the world How then does feminism mark its own past times and what stories does it tell of the campaigns struggles defeats victories and activists What is remembered and what is forgotten How do its narratives of its recent history counter those told by the mainstream culture By reading novels film television autobiographies newspaper and magazine articles and academic histories Marking Feminist Times traces the making of a feminist collective memory the reasons for its emergence the shapes taken and the narratives that recur And in so doing this book reveals a feminist collective memory haunted by the early loss of an authentically revolutionary movement

**Mary Wollstonecraft , The Fraud of Feminism** Ernest Belfort Bax,1913 By denying the existence of women s oppression and claiming that women have historically been in privileged social positions the author attacks and ridicules feminism

**Suffragist Artists in Partnership** Rose Lucy Ella Rose,2017-11-22 Explores the interconnected creative partnerships of the Wattses and De Morgans Victorian artists writers and suffragists This is the first book dedicated to examining the marital relationships of Mary and George Watts and Evelyn and William De Morgan as creative partnerships The study demonstrates how they worked individually and together to support greater gender equality and female liberation in the nineteenth century The author traces their relationship to early and more recent feminism reclaiming them as influential early feminists and reading their works from twentieth century theoretical perspectives By focusing on neglected female figures in creative partnerships the book challenges longstanding perceptions of them as the subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binary This is also the first academic critical study of Mary Watts s recently published diaries Evelyn De Morgan s unpublished writings and other previously unexplored archival material by the Wattses and the De Morgans

**Key Features** Reveals the ways in which the couples promoted progressive socio political ideasDraws on extensive archival research and analyses unpublished writings including diaries and poemsFocuses on neglected female figures in creative partnerships to challenge longstanding perceptions of them as the submissive or subordinate wives of famous Victorian artists and of their marriages as representatives of the traditional gender binaryShows how male and female writers and artists engaged with mid to late Victorian feminism together and individually reclaiming them as influential early feminists

**Feminism and Sex-extinction** Arabella Kenealy,1920 *Machado de Assis and Feminism* Maria Manuel Lisboa,1996 Machado de Assis is generally regarded as one of Brazil s foremost men of letters and best novelists This study examines the author s potentially radical understanding of an interaction between the sexes in the course of which a series of social conventions uncontested in 19th century Brazil are brought into question

*Feminism* Correa Moylan Walsh,1917 **Life** John Ames Mitchell,1916 **A Contents-subject Index to General and Periodical Literature** Alfred Cotgreave,1900

**Feminism in African Literature** Helen Chukwuma,1994 *Modernism and the Middle Passage* Laura

Winkiel,2025-10-14 Modernism is typically thought of as focusing on the new and now not looking backward at historical catastrophes Yet in many surprising often submerged ways the transatlantic slave trade shaped the works of both Black and white writers This book reveals how modernists turned to the Middle Passage and in so doing upended Western ideas about time and space race and gender and the category of the human Bringing together Afro diasporic and Black studies scholarship modernist aesthetics and environmental studies Laura Winkiel presents a new literary history of modernism from the perspective of the Atlantic and its role in slavery and colonization She examines the works of African Caribbean British and US writers including Joseph Conrad William Faulkner Langston Hughes Zora Neale Hurston Claude McKay Jean Rhys Amos Tutuola and Virginia Woolf as well as later interlocutors such as Marlon James and Jamaica Kincaid Paying particular attention to settings on shorelines deltas archipelagos and the ocean Winkiel argues that allusions to the slave trade make visible the exploitative structural relations between the metropolis and the colonies and between the liberal subject and its others By turning to the ocean and its violent histories this groundbreaking book rethinks the fraught relationship of modernism and race

*Life*, 1916 *The Literary Beach* Carsten Meiner, Katrine Helene Andersen, 2024-05-08 As a geo historical place the beach integrates a variety of characteristics and functions so multiple that they tend to contradict each other The beach is both a place of work and trade but also of leisure it is both a place of therapy and health but also of migration war and death it is a place of mass tourism and boredom but also the place of experiencing the Other it is a public place but also an uncivilized and desolate place This book studies the literary representation of the beach from ancient Greek literature up until today drawing on English French Italian American and Spanish literatures from various periods and genres and presenting multiple ways of comparing and understanding literary beaches as a ubiquitous literary phenomenon It demonstrates how the literary beach as a both geo historical place and as an aesthetic literary commonplace has been a constant and privileged resource for the analysis of more general existential sociological and moral problems This is the case when for instance the Tahitian beach becomes the place of the already modern in Stevenson s tales or when the Italian beach becomes a question of modern feminism in Ferrante In this sense literature expands the local or national beach by articulating its transnational complexities

**Feminism and Poetry** Jan Montefiore, 1994 Women s poetry has been frequently undervalued misread or simply ignored Even now there is a tendency to see the woman poet as a slight and freakish phenomenon compared with her substantial sister the novelist let alone her massive and weighty poetic grandfathers But as Jan Montefiore demonstrates in this book the range scope and variety of women s poetry past and present is thoroughly impressive
