Feminist Review The Feminist Review Collective,2005-08-31 Focuses on feminist analyses of race and ethnicity currently one of the most immediate issues facing feminist thinking The volume ranges from a study of the social geographies of whiteness in the USA to a variety of perspectives on the break up in Yugoslavia *New Review* ,1914 **Feminism and "race"** Kum-Kum Bhavnani,2001 The past two decades have seen the incursion of feminist thought into many academic areas Within the academy feminist approaches have gained some legitimacy and yet simultaneous with these disciplinary advances there have been charges of racism directed at feminist scholarship and practice These charges have resulted in feminist work continuously reshaping itself This volume represents the strength as well as diversity of writings which discuss race and feminism showing how these two areas usually considered to be distinct and therefore discrete from each other have developed **Feminism and Race** includes articles spanning a number of disciplinary areas such as history literary analysis sociology and psychology and provides a history of how second wave feminisms have negotiated race as well as suggesting what future directions these debates may take **Feminist Review** Taylor & Francis Group,1990-12-31 *Feminist Review* ,1990 **Innocent Subjects** Terese Jonsson,2020-12-20 In a time of intensified global white supremacist and patriarchal violence anti racist feminist movements and analyses have never been more vital Women of colour are at the forefront of these struggles worldwide but are white feminists really by their side Despite a rich history of Black and postcolonial critiques of racist and imperial feminist politics racism still exists within contemporary British feminism To explain why Terese Jonsson examines the history of feminism over the last forty years She argues that Black feminism s role in shaping the movement has been marginalised through narratives which repeatedly position white women at the centre of the story from the women s liberation movement in the 1970s to today Analysing the ways in which whiteness continues to pervade feminist literature as well as feminist debates in the liberal media Jonsson demonstrates that despite an increased attention to race intersectionality and difference stories told by white feminists are shaped by their desire to maintain an innocent position towards racism **Feminist Review** The Feminist Review Collective,2012-10-12 A unique combination of the activist and the academic **Feminist Review** has an acclaimed place within women s studies courses and the women s movement **Feminist Review** is produced by a London based editorial collective and publishes and reviews work by women featuring articles on feminist theory race class and sexuality women s history cultural studies Black and Third World feminism poetry photography letters and much more **Feminist Review** is available both on subscription and from bookstores For a Free Sample Copy of further subscription details please contact Trevina Johnson Routledge Subscriptions ITPS Ltd Cheriton House North Way Andover SP10 5BE UK *Feminist Review* The Feminist Review Collective,2005-12-05 The 1990s are proving to be a time quite literally of shifting territories in Europe East and West Both the revolutions in Eastern Europe in 1989 and the breaking of economic boundaries in 1992 are creating a new Europe a Europe in which old questions

have to be re asked and old assumptions revaluated This Feminist Review special issue Shifting Territories explores these political changes in all their complexity and in particular looks at how these changes will affect women and feminism Feminist Review employs its unique perspective to ask such pertinent questions as how can we make sense of these major transformations How should we respond to them What part should feminists play in the new world order Is it so new With articles covering the relationship between nationalism and feminism the women s movement in Eastern Europe feminism and the crisis of socialism this Feminist Review special issue explores these shifting territories and tries to make sense of the reverberations affecting all our lives **Feminist Periodicals** ,2005 **Femmes Et L'état Canadien** Caroline
