**Good Bread Is Back** Steven Laurence Kaplan, 2006-12-20 Leading French bread expert Steven Laurence Kaplan narrates the decline and rise of the French artisanal breadmaking tradition explaining in detail the breadmaking process and the ideal characteristics of good bread Good Bread Is Back Steven L. Kaplan, 2006-12-20 Good Bread Is Back is a beautifully illustrated book for foodies and Francophiles alike Widely recognized as a leading expert on French bread the historian Steven Laurence Kaplan takes readers into aromatic Parisian bakeries as he explains how good bread began to reappear in France in the 1990s following almost a century of decline in quality Kaplan sets the stage for the comeback of good bread by describing how while bread comprised the bulk of the French diet during the eighteenth century by the twentieth per capita consumption had dropped off precipitously This was largely due to social and economic modernization and the availability of a wider choice of foods But part of the problem was that the bread did not taste good Centuries old artisanal breadmaking techniques were giving way to conveyor belts that churned out flavorless fluff In a culture in which bread is sacrosanct bad bread was more than a gastronomical disappointment it was a threat to France s sense of itself With a nudge from the millers who make the flour and assistance from the government bakers rallied reclaiming their reputations as artisans by marketing their traditionally made loaves as the authentic French bread By the mid 1990s bread officially designated as bread of the French tradition bread made without additives or freezing was in demand throughout Paris What makes this artisanal bread good Kaplan explains meticulously describing the ideal crust and crumb interior mouth feel aroma and taste He discusses the breadmaking process in extraordinary detail from the ingredients to the kneading shaping and baking and even to the sound bread should make when it comes out of the oven He offers a system for assessing bread s quality and a language for discussing its attributes A historian and a connoisseur Kaplan does more than tell the story of the revival of good bread in France He makes the reader see smell taste feel and even hear why it is so very wonderful that good bread is back Good Housekeeping ,1920 Good Housekeeping Magazine ,1911 Annual Report of the Department of Inspection of Manufacturing and Mercantile Establishments, Laundries, Bakeries, Quarries, Printing Offices and Public Buildings Indiana.
