From Buddha to Christ Hermann Beckh,2019-03-25 Many people who are drawn to Buddhism today are seeking for spiritual knowledge as opposed to simple faith or sectarian belief Hermann Beckh had a profound personal connection to the Buddhist path and the noble truths it contains yet he was also dedicated to a radical renewal of Christianity Assimilating the groundbreaking research of Rudolf Steiner 1861 1925 Beckh s comprehension of Buddhism was neither limited to historical documents nor scholarly research in philology Rather from his inner meditation and spiritual understanding he saw the earlier great world religions as waymarks for humanity s evolving consciousness In the modern world the apprehension of Christianity needed to be grounded firmly in a universally valid inner cognition and experience In this light knowledge becomes life Hermann Beckh Professor of Tibetan Studies and Sanskrit in Berlin subsequently a founding priest of The Christian Community first published this mature study in 1925 Having already produced the comprehensive Buddha s Life and Teaching in 1916 Beckh s sweeping perspectives combined with his extensive academic knowledge provided a unique grounding for authoring this work As he notes From Buddha to Christ follows a path of development both of method and goal Thus studying this book is itself a path of knowledge and potential initiation Beckh s universal insights remain relevant and if anything have gained in value to twenty first century readers This edition features an additional essay Steiner and Buddha Neo Buddhist Spiritual Streams and Anthroposophy 1931 in which Beckh for the first and last time explains his lifelong personal connection to the Buddhist path

Buddhists Talk About Jesus, Christians Talk About the Buddha Rita M. Gross, Terry C. Muck, 2000-02-01 What does Jesus mean to a Buddhist or the Buddha to a Christian What is it about the Buddha that is appealing to a Christian or unappealing In this volume 12 scholars six of them Christian and six of them Buddhists speak simply and from the heart about their personal relationship to the great religious leader from the other tradition The diversity of views within each tradition could be a shock to the average Buddhist or Christian on the street Buddhists argue about Buddha s nature Buddha veneration and the role the Buddha plays in human liberation Christians argue about Jesus human and divine status his uniqueness and the role he plays in human salvation The contributors celebrate the family likeness between Jesus and the Buddha but they also acknowledge the differences as well for it is at the points of difference that potentially there is the most opportunity for growth

The Buddha's Gospel Lindsay Falvey, 2002 Described as unique and a great service to understanding this book is intended for three groups Western Buddhists that bulk of the West that have no religious affiliation yet know there is something more to life and Buddhists in Asia who follow the encounter of the dharma with the West It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally presented In its six chapters and appendix it compares the two great teachers the Buddha and Jesus briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist imitation of these words based on the hypothetical Sayings of Jesus It then considers congruence between the Buddha s and Jesus teachings before offering both Buddhist and Christian interpretations An appendix re presents the Buddhist imitation of Jesus words as a continuous text Dr Falvey introduces his work Jesus speaking the Buddha s words exudes audacity and ignorance yet this work essentially wrote itself as a product of my socialization a modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism Differences between the two traditions such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of teachings of both traditions

Going Home Thich Nhat Hanh, 2000-10-01 Thich Nhat Hanh shows us the connection between personal inner peace and peace on earth His Holiness The Dalai Lama Nominated by Martin Luther King Jr for a Nobel Peace Prize Thich Nhat Hanh is one of today s leading sources of wisdom peace compassion and comfort Exiled from Vietnam over thirty years ago Thich Nhat Hanh has become known as a healer of the heart a monk who shows us

how the everyday world can both enrich and endanger our spiritual lives In this book Jesus and Buddha share a conversation about prayer and ritual and renewal and about where such concepts as resurrection and the practice of mindfulness converge In this unique way Thich Nhat Hanh shows the brotherhood between Jesus and Buddha and in the process shows how we can take their wisdom into the world with us to practice in such a way that Buddha is born every moment of our daily life that Jesus Christ is born every moment of our daily life
