**William Henry Groves**

## From A Memory:

*Metropolis Pt. 2: Scenes from a Memory* Peter Orullian, 2024-10-26 Nicholas Santori a sound engineer who specializes in audio recovery has had troubling dreams all his life With the anniversary of his daughter s death those dreams have gotten worse threatening the stability of his family and perhaps his own safety After receiving cryptic messages about his dreams from his clairvoyant son Nicholas seeks help from an eccentric hypnotherapist with questionable intentions During regression Nicholas learns that in a former life he was a young girl named Victoria Page that she was murdered and that her case was never truly solved Believing he can end his nightmares if he can solve Victoria s murder he finds retired detective Colin Murphy who s been obsessed with Victoria s case since he saw her lying dead seventy years ago in the house where Murphy now lives Together they hope to solve the cold case while someone is desperately trying to stop them Orullian deftly weaves the two sides of this interconnected story across the twentieth century From nightmares to zeppelins to anechoic chambers to train heists to mafia hits to speakeasies to heartfelt conversations about loss Orullian s propulsive imagining of Dream Theater s critically acclaimed album *Metropolis Pt 2 Scenes from a Memory* is by turns thrilling suspenseful and poignant

Memory from A to Z Yadin Dudai, 2004 This is an innovative and engaging companion to the language of memory research It consists of over 130 entries bound within a coherent conceptual framework Each entry starts with a definition or a set of definitions followed by an in depth and provocative discussion of the origin meaning usage and applicability of ideas and problems central to the neuroscience of memory and scientific culture at large The entries linked by webs of associations can be read and enjoyed and provide a versatile tool kit a source for definitions information and further reading a trigger for contemplation discussion and experimentation and an aid to study teaching and debate in classes and seminars The text is supported by an extensive reference listing and there is a comprehensive subject index incorporating a much wider range of terms relevant to the field
