From Babylon to Bethlehem and Back Again A C Katz,2024-11-13 The Magi saw the Star of Bethlehem they knew what it meant how did they know Who were the Magi They saw his star what was his star How did it appear the first time and then again months later over Bethlehem Was the Bethlehem Star a cosmic view of an actual festival of lights an ancient GPS in the sky In the book *From Babylon to Bethlehem* you will be surprised to learn what his star actually was His star was the first and His star was the last as it settled over Bethlehem It was the same star from beginning to end it did not change Come along and travel back in time and view the heavenly sights of long ago as we join the Magi on their journey From Babylon to Bethlehem Was the Bethlehem Star Supernatural or Natural Some bible teachers believe that the Bethlehem Star was a supernatural event something that cannot be explained within the natural celestial mechanics created at the same time as the Sun the Moon and planets called wandering stars in the beginning in Genesis 1 14 It is possible the Bethlehem Star was a predictable event and when God uses His creation it isn't always an unexplainable supernatural event In this book you will find a compilation of information to confirm a timeline using scripture as the base including archaeology and historical writings to be tested against astronomical evidence There are videos and theories about the Star of Bethlehem however some are historically astronomically and even scripturally inaccurate it's understandable since people were unaware of many of the archaeological findings which are becoming more available to us today Over the years because of the unavailability of evidence some have concluded well we just can't know As time goes on we will be able to find out more as archaeology is revealed and continues to confirm the accuracy of scripture just one of the many reasons we need to keep watching Many of you might be familiar with AC Katz's previous book *The Great American Writing on the Wall Total Solar Eclipse of 2017 and 2024* In that book she showed herself to be a meticulous researcher and seeker of truth She continues this methodology in her new book *From Babylon to Bethlehem* As an amateur astronomer and astrophotographer as well as Bible teacher I have been enthusiastically contemplating for many years the background behind the enigmatic star of Bethlehem which led the magi to Jesus In this new book AC Katz will take you on an amazing historical theological archaeological and astronomical journey exploring the possibilities of the Bethlehem star Was the Bethlehem star a conjunction of planets Conjunction of stars A comet Was it a supernatural event You will certainly find all of her research fascinating and worth the read Her attention to detail and conversational writing is enjoyable and highly recommended Mondo Gonzales co host at Prophecy Watchers and director of the Psalm 19 Project

Becking, Alex Cannegieter, Wilfred van der Poll, 2016-04-08 First Published in 2014 Generally readers have a negative idea of the Exile Psalm 137 has fuelled the idea that this was a time of sorrow and despair This image of the Exile influenced for instance Luther's ideas on the Babylonian Captivity of the Church The four essays in this volume deconstruct and reconstruct this image Bob Becking tries to recreate a history of the Exile On the basis of the available evidence this could be no more than a fragmented history nevertheless showing that the fate of the exiles was not as bad as often supposed Anne Mareike Wetter reveals that the biblical image of exile is multi faceted She shows how a tradition of a people tied to their God given land was challenged by the reality of foreign occupation And how that people eventually succeeded in translating this experience appropriating it through a transformation into a counter tradition that enabled them to cope with the new situation without breaking entirely with their cultural and religious heritage Jewish ideas on exile are discussed by Wilfred van de Poll He concentrates on the use of the concept of galut which refers to the paradigmatic and identity shaping function of the dispersion of the people of Israel and showed that the Exile in Jewish thinking had become a permanent reality up until the present day From the perspective of intertextual reading Alex Cannegieter discusses four texts of varying ages and background Augustine Petrarch Luther and a Dutch sermon held after the end of the Second World War She explores the ways authors chose biblical texts to appropriate them a new context thereby changing the meaning of the new as well as the source texts

finally catches up to them days later at dusk he attacks the enemy by cutting loose their tethered mounts and frightens them into stampeding over the camp of sleeping men he frees Kerith s parents and the three of them and the camel begin walking north for Bethlehem When Joseph and Mary arrive in Bethlehem for the census Zaham refuses to even talk about a room for them Kerith takes them to an animal shelter in a cave behind her house because her own house is full of travelers some of whom are ill Kerith makes them as comfortable as possible and calls in a midwife The angel who first talked to Mary then Joseph appears to them and assures them all will be well and Jesus is born at that time Meanwhile Zaham had a bad day because of a promise by Johannan the census taker to reward him with extra money and a gold piece for the use of his secret room was cancelled due to a disagreement with a courtesan She leaves Johanan abruptly and Johanan leaves Bethlehem for Jerusalem Zaham is beside himself with anger and self pity Sleepless he decides to murder his family commit suicide and end everyone s misery at once the angel appears to Zaham in his bedroom He shows him the error of his ways and points out how all the things that he dislikes are actually projects that needed to be accomplished including the secret room for the safety of the holy family Zaham finally sees the light and commits himself and his family to the well being of Jesus early years
