The Fervent Years

Description :

The Group Theatre was perhaps the most significant experiment in the history of American theater. Producing plays that reflected topical issues of the decade and giving a creative chance to actors, directors, and playwrights who were either fed up with or shut out of commercial theater, the "Group" remains a permanent influence on American drama despite its brief ten-year life. It was here that method acting, native realism, and political language had their tryouts in front of audiences who anticipated--indeed demanded--a departure from the Broadway "show-biz" tradition. In this now classic account, Harold Clurman, founder of the Group Theatre and a dynamic force as producer-director-critic for fifty years, here re-creates history he helped make with Lee Strasberg, Elia Kazan, Irwin Shaw, Clifford Odets, Cheryl Crawford, Morris Carnovsky, and William Saroyan. Stella Adler contributed a new introduction to this edition which remembers Clurman, the thirties, and the heady atmosphere of a tumultuous decade.
