**The King of Thieves** 1325 Sir Baldwin de Furnhill and his friend Simon Puttock are in France guarding King Edward's son on his perilous journey to meet the French king Charles IV. But they are unaware that King Edward's wife Isabella is disaffected and plotting her revenge. What first appears a simple diplomatic mission is fast becoming lethally dangerous. Meanwhile two murders in Paris are causing alarm. Is there a connection between the killings and the shadowy King of thieves? Simon and Baldwin know the future of the English crown is at risk. And in order to protect it they must put their own lives in jeopardy.

What readers are saying about *The Knights Templar* mysteries: Full of twists and turns right up until the end. Superb with a diverse and fantastic cast of characters mixing historical fact with the author's creations and they blend beautifully. Jecks continues to astonish me in adherence to historical accuracy but also in his ability to write a tale so well.
