Key Of The Mysteries:

The Key of the Mysteries Eliphas Levi, 2001-12-15 Eliphas Levi was steeped in the Western occult tradition and a master of the Rosicrucian interpretation of the Qabalah which forms the basis of magic as practiced in the West today The Key of the Mysteries represents the culmination of Levi's thoughts and is written with subtle and delicate irony It reveals the mysteries of religion and the secrets of the Qabalah providing a sketch of the prophetic theology of numbers The mysteries of nature such as spiritualism and fluidic phantoms are explored Magical mysteries the Theory of the Will with its 22 axioms are divulged And finally it offers the great practical secrets The true greatness of this work however lies in its ability to place occult thought firmly in Western religious traditions For Levi the study of the occult was the study of a divine science the mathematics of God

The Key of the Mysteries Eliphas Levi and Aleister Crowley, 2022-07-23 Eliphas Levi 1810-1875 born Alphonse Louis Constant was a sage poet and author of over twenty esoteric books He began writing at 22 years of age and was imprisoned twice for the critical nature of his work Eliphas Levi was steeped in the Western occult tradition and a master of the Rosicrucian interpretation of the Qabalah which forms the basis of magic as practiced in the West today The Key of the Mysteries represents the culmination of Levi's thoughts and is written with subtle and delicate irony It reveals the mysteries of religion and the secrets of the Qabalah providing a sketch of the prophetic theology of numbers The mysteries of nature such as spiritualism and fluidic phantoms are explored Magical mysteries the Theory of the Will with its 22 axioms are divulged And finally it offers the great practical secrets The true greatness of this work however lies in its ability to place occult thought firmly in Western religious traditions For Levi the study of the occult was the study of a divine science the mathematics of God

main concern of the Master of the Key is to save each of us from self imprisonment Mankind is trapped the stranger tells Strieber I want to help you spring the trap In a sweeping exchange between Strieber and the stranger which takes the form of a classical student teacher dialogue in pursuit of inner understanding the unknown man presents a lesson in human potential esoteric psychology and man's fate He illuminates why man has been caught in a cycle of repeat violence and self destruction and the slender but very real possibility for release In its breadth and intimacy The Key is on par with contemporary metaphysical traditions such as A Course in Miracles or even with the dialogues of modern wisdom teachers such as D T Suzuki and Carl Jung

When Tess Livingston got off the bus at a roadside stop high in the Andes she couldn't quite remember how she got there She was an FBI agent and the last thing she remembered was tracing a group of counterfeiters to Ecuador Then she found herself at the Bodega del Cielo waiting for the bus to Esperanza or at least that's where her ticket says she's going Ian Ritter a journalist from Minneapolis is also at the Bodega He was planning a trip to the Galapagos Islands but his limited Spanish isn't up to explaining why he needs to change to Bus 13 to Esperanza Their meeting changed their lives forever For the city of Esperanza is a place out of time partly in the material world and partly existing on another plane There the spiritual world can manifest The dead can come through and they do A few of the dead are Chasers beings of light who have deferred their passage to a higher plane in order to help and protect the living But many of the dead are brujos angry ghosts who cannot let go who desire only to possess the bodies of the living so they can reclaim their own physical existence in the world Brujos kill those they possess sooner or later Tess and Ian and their families have made a good life together in Esperanza and have no desire to ever leave it But now something unusual even for Esperanza is happening Parts of the city seem to be leaving them TJ MacGregor creates imaginative worlds where neither beasts ghosts nor humans are as they seem to be where anything and anyone can change in a flash where love is still worth saving and where the most courageous act of all is simply holding on to your humanity Nancy Pickard
