*Robert Browning* Charles Harold Herford,1905 Browning s poetry is seen by the author as one of the most potent of the  
influences which in the nineteenth century helped to break down the shallow and mischievous distinction between the sacred  
and the secular and to set in its place the profounder division between man enslaved by apathy routine and mechanical  
morality and man lifted by the law of love into a service which is perfect freedom into an approximation to God which is only  
the fullest realization of humanity First published in 1905 this was a pioneering biographical and critical study of Browning  
which was one of the first to assess what were regarded as the difficulties of Browning s work and to elucidate his realism joy  
and interpretation of life This title is cited and recommended by the Catalogue of the Lamont Library Harvard College and
