*The English Room* Mike Liu, 2025-06-20 What if silence in the classroom wasn't a lack of words but a war of meaning The English Room is a gripping exploration of corporate learning where language is more than grammar it's power perception and performance Set inside real companies across Asia these true stories uncover the quiet tensions behind English training prestige without clarity fluency without comprehension and classrooms where survival outweighs success Author Mike Liu an educator linguist and former diplomat draws from years on the front lines to reveal how language instruction becomes a stage for unspoken politics and silent battles This book is not about teaching English It's about what English reveals Perfect for readers interested in language leadership and the invisible forces shaping communication at work
