Alpha Male Challenge James Villepigue, Rick Collins, 2009-09-01 Men are losing their masculinity. Guys are urged to get in touch with their feminine side at the expense of the traditional attributes that make men male. Not only has manliness become a dirty word in a society of beta males and couch potatoes but there's actually less and less of it in the blood of too many American men with studies showing declines in average testosterone levels over the past 20 years. Today's men need a major adjustment of alpha attitude and Alpha Male Challenge is the 10-week plan for reclaiming the masculine competitive edge. Guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the true Alpha Male, the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet and mind set overhaul features the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male, a step-by-step regimen to develop the Four C's of Alpha: Attitude, commitment, confidence, courage and conscience. The Alpha Wave Basic Training program to build muscle, burn fat and produce testosterone, the Work Heart Play Heart cardio system and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations.
