Heal the Sick David James Grams,2021-06-15 Jesus shed His blood for so much more than empty powerless religion False religion and the sacrosanct traditions of men have for nearly 1700 years reduced the gospel to a form of godliness that denies any real power At the birth of Christianity Jesus and the Apostles worked many mighty signs and wonders that the world could not deny Comparing Christianity today to the faith of the early Christians it s clear that we re lacking power This lack is due to the refusal of a sleeping church to acknowledge and obey the whole counsel of God Christ could rightly say of mainstream Christianity Why do you call Me Lord Lord but don t do what I say Jesus commanded His disciples to heal the sick cleanse the lepers raise the dead and cast out demons He paid for such miracles at the cross and the whipping post of His suffering The truths in this book will shake you to the core and challenge beliefs that have been left unquestioned for centuries The truths herein are simple straightforward and free of any subjective interpretation The author focuses solely on presenting the unadulterated and indisputable meaning of Scripture boldly and succinctly without mention of any personal experience or opinion With few words you will find yourself confronted and convicted by the truly biblical standard of the Christian life Through this book you will be equipped with the divine knowledge that s necessary to see the power of God flowing through you to heal the sick and set the captive free In addition the most commonly asked questions about healing sickness suffering and tragedy and the purpose of the cross are answered with authority In Heal the Sick David Grams exegetically walks readers through the Bible as to demonstrate with authority that it is surely and always Gods will for people to be healed of their sicknesses and diseases The author also writes to intrigue cessationists of all forms hoping to persuade skeptics and opponents that the Bible teaches clearly that miracles and the gifts of the Spirit are for believers today This book is ideal for students of the Bible who want to know more about divine healing disciples who want to learn how to heal the sick and Christians who are either questioning or resisting the doctrine of divine healing

miraculous healings But can we believe them Why are some people healed and some not Does God give ordinary Christians the authority to heal As Ken Blue explores these questions he found plenty of answers but none that satisfied him He wanted answers that were true to Scripture and true to a loving and just God His search into the Bible and into the ministry of healing has produced a rich and very human book Here is a book for everyone who has ever prayed for a sick friend The Charismatic Movement John R. Rice,2000-08 Tangible Healing Power Joel Hitchcock,2020-03-23 The power of God is tangible This means that the supernatural power of God may be discernable to the senses especially to the touch When someone touched Jesus they felt it and Jesus felt it Jesus said Somebody touched Me for I perceived power going out from Me Luke 8 46 NKJV The NLT says Someone deliberately touched me for I felt healing power go out from me On another occasion as Jesus was teaching the power of the Lord was present to heal them Luke 5 17 NKJV The very atmosphere was charged with power This power was perceivable and discernable This power was tangible This is the power that heals the sick it is the tangible healing power of God In this book we will investigate multiple occasions in the Scriptures of where this happened learning something from each of them We will also see examples in history modern times and in the ministry of the author
