Healing Israel Palestine:

Healing Israel/Palestine Michael Lerner,2003 *Healing Israel/Palestine* ,2004 *Healing Israel-Palestine - Manifesting Peace and Reconciliation in Israel-Palestine* Dr Mark O'Doherty O'Doherty (author),1901 **Healing Israel-Palestine - Manifesting Peace and Harmony in Israel-Palestine** Mark O'Doherty,2021-05-05 As the death toll from the most serious conflict between Israel and Palestine for nine years mounts international leaders are calling for restraint amid fears of a full scale war Gaza s death toll has risen 53 including 14 children according to the health ministry More than 300 people have been wounded Six Israeli civilians including two children have been killed by rocket fire and dozens wounded Towns in Israel with mixed Jewish and Arab populations have also experienced violent clashes In the UK PM Boris Johnson said The UK is deeply concerned by the growing violence and civilian casualties and we want to see an urgent de escalation of tensions In parliament the Foreign Office minister James Cleverly said Israel had an absolute legitimate right of self defence but its actions must be proportionate cautious and dedicated to avoiding civilian casualties Urging an end to the cycle of violence and any kind of provocation he described Hamas attacks on Israel as acts of terrorism adding they must permanently end their incitement and rocket fire against Israel The UK government was in contact with both Israeli and Palestinian ministers in an attempt to calm the crisis he said The MP Richard Graham said the Israeli military had effectively attacked the al Aqsa mosque the centre of Islamic worship in Jerusalem for hundreds of years Although the Hamas attacks were unacceptable a major cause of the increased discontent was the number of illegal convictions from East Jerusalem he said Tor Wennesland the UN s Middle East envoy said leaders on all sides must take the responsibility of de escalation Before briefing the 15 members of the UN security council on the crisis Tor Wennesland warned The cost of war in Gaza is devastating and is being paid by ordinary people Stop the fire immediately We re escalating towards a full scale war Right now it s critical that the Biden administration engage proactively in securing an immediate ceasefire and pushing all sides to de escalate the liberal Jewish American lobby J Street said in a statement Therefore it is imperative that US President Joe Biden and the International Community engage proactively in securing an immediate ceasefire and push all sides to de escalate so that rule of law stability and peace can be restored in the region Otherwise an intervention from the NGO Community will be necessary to avoid a power vacuum and a potential civil war in Israel Palestine **The Dark Side of Zionism** Baylis Thomas,2009-01-01 The Dark Side of Zionism Israel s Quest for Security through Dominance arises out of the scholarship of the new historians a group of mostly Israeli scholars who have uncovered a history widely ignored in the popular media Baylis Thomas argues that both the early Zionists and later the Israelis sought their security through the military domination of the indigenous Arab population of Palestine This strategy required both avoiding negotiations with the Palestinian Arabs and provoking the weak Arab states opposed to the Israeli takeover of Palestine into entering wars they would lose The role of British imperial power was crucial in this early history as was the later U S support of Israel right or

wrong Thomas explores the larger context of this history in chapters on colonization hegemony weapons diplomacy terrorism nationalism religion Zionism and prospects for resolution of the conflict While students and scholars of Middle Eastern studies and international relations will find this book valuable it is intended for the intelligent general reader who is curious about current events yet puzzled about the Palestinian Israeli conflict Israel s national identity founded on the memory of being victims of the Holocaust focuses on current events that seem consistent with the past even as the nation uses force to thwart Palestinian national aspirations The Dark Side of Zionism argues that peace for both Israelis and Palestinians can only come if Israel relinquishes military rule

Anti-Arab Racism in the USA Steven Salaita,2006-03-20 Today is a difficult time to be both Arab and American Since 9 11 there has been a lot of criticism of America s involvement in the middle east Yet there has been little analysis of how America treats citizens of Arab or middle eastern origin within its own borders Steven Salaita explores the reality of Anti Arab racism in America He blends personal narrative theory and polemics to show how this deep rooted racism affects everything from legislation to cultural life shining a light on the consequences of Anti Arab racism both at home and abroad The book shows how ingrained racist attitudes can be found within the progressive movements on the political left as well as the right Salaita argues that under the guise of patriotism Anti Arab racism fuels support for policies such as the Patriot Act

Jews against Zionism: Voices for justice Ayoub Issa Ayoub Abu Dayyeh,2025-04-13 In this biography of Jewish and Israeli humanists who are engaged in literature history journalism philosophy theology politics economics law education and the natural and applied sciences we tend to believe that they represent a group of 67 people who enjoy a humanist global way of thinking that is not intolerant of religion sect gender race or class but rather advocate of empathy humanity justice fairness compassion self determination human rights and the decent way of life for all We chose the title of the book Voices for Justice because justice transcends peace in that peace may be conditional on circumstances that may not achieve justice

Teaching the Holocaust Simone Schweber,Debbie Findling,2007 Teaching about the Holocaust is necessarily an act of shaping memory of forging the consciousness students have Teaching the Holocaust is written to help teachers help their students to define their understandings of this difficult period in our history

A Wall in Jerusalem Mark Braverman, 2013-11-05 Violence in Israel and Palestine has become the norm Do we even understand this conflict Do we know where it comes from Why can't the two sides reach agreement Can Jews and Palestinians find a way to coexist An American Jew Mark Braverman thought he understood the reasons for Israel's existence But when he visited the region and began to understand the forces that are fueling and perpetuating the conflict he realized just how far we are from achieving peace From the bustling communities on either side of the Jerusalem barrier to the historical lessons of the Nazi Holocaust and South African apartheid to the foremost voices in theology and conflict resolution today Braverman answers the questions above and offers a course of action both at home and abroad to realize peace

History and Christian Apologetic Tom Aerwyn Roberts, 1960 [The Nation](#), 2004 **The Legacy of Ismail Haniyeh, Yahya Sinwar and the Hamas Organization in Palestine** □ **A militant Government facilitating Disregard for Innocent Life, Violent Extremism, Overpopulation and Suicide in Gaza** Dr. Mark O'Doherty, 2018-06-22 After 10 years of siege the 2 million people of Gaza living packed on a tiny strip find themselves without work their economy killed off without the bare essentials for decent life and without any hope of freedom The siege is fracturing minds pushing the most sensitive and vulnerable to suicide in numbers never seen before such as the suicide of Mohammed Younis a 22 year old student in Gaza being symbolic of the misery and despair of the siege Hence the blockade of the Gaza Strip must go Yet Hamas's leaders Ismail Haniyeh Saleh al Arouri and Yahya Sinwar seem to reject reconciliation and peace talks with Israel reconciliation and healing being an essential prerequisite to lift the Gaza blockade This also includes shutting down the military wing of the Palestinian Hamas organization the Izz ad Din al Qassam Brigades which exploits and kills innocent people to further their own primitive agenda of hatred and unforgiveness Otherwise it will not be possible to lift the Gaza blockade which is the essential first step of manifesting Human Rights for the people in Gaza Hence Hamas's leaders need to reinvent themselves and make peace with Israel otherwise the Gazans must find a new leadership so that the blockade can finally be lifted Critical but also deeply sensitive and humane this book explores social scientific ethical and Islamic approaches so that Human Rights can be restored in Palestine To manifest Democracy and Equality in the country a Bi National State following the South African example to end apartheid in Israel Palestine would be the best way to go in our opinion This would combine all territories into a single state with one government An argument for this solution is that neither side can justly claim a state on all of the land or the better and richer parts of the land It is also important to emphasize that Rule of Law and Judicial Independence must prevail in the land Amid the current social and political upheaval in the country it is imperative that everybody keeps a cool head and remains calm and positive during these very challenging times We invite all People in Israel Palestine and the International Community in particular the Arab Muslim world and Israel Jewish Community to join our anti apartheid political movement so that Legal Equality and Democracy can be manifested in a Bi National State Love and Light Mark BTB Global Peacebuilding 24 April 2023 *Embracing Israel/Palestine* Michael

Lerner,2011-11-22 A major modern conundrum is how the Arab Israel conflict remains unresolved and seemingly unresolvable In this inspirational book Rabbi Michael Lerner suggests that a change in consciousness is crucial With clarity and honesty he examines how the mutual demonization and discounting of each sides legitimate needs drive the debate and he points to new ways of thinking that can lead to a solution Lerner emphasizes that this new approach to the issue requires giving primacy to love kindness and generosity It calls for challenging the master narratives in both Israel and Palestine as well as the false idea that homeland security can be achieved through military political economic or media domination Lerner makes the case that a lasting peace must prioritize helping people on all sides including Europe and the U S and that real security is best achieved through an ethos of caring and generosity toward the other As many spiritual leaders have taught problems like these cannot be solved at the same level at which they originated one must seek higher ground and that becomes a central task for anyone who wants a sustainable peace Embracing Israel Palestine is written for those looking for positive practical solutions to this ongoing dilemma

To Rwanda and Back Mary C. Grey,2007 What happens when a celebrated feminist theologian whose work has always sought pathways of healing and hope visits Rwanda Mary Grey s shattering experience led to a re examination of her understanding of justice and reconciliation The result is a remarkable book that magically weaves personal narrative with theological insight
