

Health Care In The Black Community

Woodrow Jones, Mitchell Rice

Health Care In The Black Community:

Health Care in the Black Community Sadye Logan, Edith M. Freeman, 2012-10-12 Empower patients with culture specific strategies for promoting health treating disease and preventing violence Current reports show that Black Americans have the highest death rate of all racial and ethnic groups They suffer disproportionately from a number of fatal diseases including hypertension diabetes and certain cancers Moreover violence takes far too high a toll especially among young Black men Clearly a different approach to health education and promotion is needed to end this tragic waste of valuable human lives *Health Care in the Black Community* Empowerment Knowledge Skills and Collectivism proposes an innovative model for health professionals working in the Black community Traditional Western medicine focuses on sickness the isolated individual and the material world However the Afrocentric values of many Black people emphasize wellness the community and the spiritual world By basing health care approaches on the community's positive values of holistic healing and mutual assistance *Health Care in the Black Community* suggests practical effective strategies for promoting physical and emotional wellness This comprehensive and informative book offers a solid intellectual framework as well as practical advice *Health Care in the Black Community* identifies deeply held African American cultural traditions and attitudes offers specific suggestions for combining health care priorities with respect for cultural concerns shows how to gain compliance by involving patients in their own care and drawing on community strengths discusses the impact of specific problems such as low self esteem infertility HIV AIDS and violence on Black families develops strategies for preventing family violence by helping family members define and identify emotions shares programs and ideas for enhancing the physical and mental health of elderly Black people identifies ways to overcome the drawbacks of early parenthood *Health Care in the Black Community* offers health care professionals policymakers practitioners researchers and educators in the fields of social work health care and cultural studies successful methods models and suggestions to help improve health care in Black communities

Health Care in the Black Community Sadye Louise Logan, Edith M. Freeman, 2000 Current reports show that Black Americans have the highest death rate of all racial and ethnic groups Clearly a different approach to health education and promotion is needed to end this tragic waste of valuable human lives This volume proposes an innovative model for health professionals working in the Black community By basing health care approaches on the community's positive values of holistic healing and mutual assistance *Health Care in the Black Community* suggests practical effective strategies for promoting physical and emotional wellness

The International Handbook of Black Community Mental Health Richard J. Major, Karen Carberry, Theodore S. Ransaw, 2020-06-08 This international handbook addresses classic mental health issues as well as controversial subjects regarding inequalities and stereotypes in access to services and misdiagnoses It addresses the everyday racism faced by Black people within mental health practice

Building Health, Resiliency, and Unity in the Black Community El-Amin, Abeni, Tyler, Kenneth, Marks, Quinton L., 2025-02-28 Strengthening Black families

and communities is essential for fostering resilience economic empowerment and cultural pride By creating spaces for meaningful dialogue and collaboration initiatives like this promote knowledge sharing and collective action to address challenges such as health disparities educational access and financial stability Community driven engagement ensures that individuals are equipped with the resources and strategies needed to create lasting positive change When families are empowered they become catalysts for stronger more unified communities that uplift future generations Building Health Resiliency and Unity in the Black Community explores how community engagement and collective empowerment strategies can bolster the resilience health and unity of Black families By examining the successes challenges and transformative impacts of initiatives centered on family and community development this work seeks to offer a means for strengthening Black communities through sustainable and culturally relevant engagement Covering topics such as social determinants of health generational wealth and student and family success this book is an excellent resource for human rights advocates sociologists social workers policymakers professionals researchers scholars academicians and more

Caring for Equality
David McBride, 2018-08-24 African Americans today continue to suffer disproportionately from heart disease diabetes and other health problems In *Caring for Equality* David McBride chronicles the struggle by African Americans and their white allies to improve poor black health conditions as well as inadequate medical care caused by slavery racism and discrimination since the arrival of African slaves in America Black American health progress resulted from the steady influence of what David McBride calls the health equality ideal the principle that health of black Americans could and should be equal to that of whites and other Americans Including a timeline selected primary sources and an extensive bibliographic essay McBride's book provides a superb starting point for students and readers who want to explore in greater depth this important and understudied topic in African American history

Health Issues in the Black Community Ronald L. Braithwaite, Sandra E. Taylor, Henrie M. Treadwell, 2009-10-22 *Health Issues in the Black Community* THIRD EDITION The outstanding editors and authors of *Health Issues in the Black Community* have placed in clear perspective the challenges and opportunities we face in working to achieve the goal of health equity in America David Satcher MD PhD 16th Surgeon General of the United States and director Satcher Health Leadership Institute at Morehouse School of Medicine Eliminating health disparities must be a central goal of any forward thinking national health policy *Health Issues in the Black Community* makes a valuable contribution to a much needed dialogue by focusing on the challenges of the black community Marc Morial Esq president National Urban League *Health Issues in the Black Community* illuminates comprehensively the range of health conditions specifically affecting African Americans and the health disparities both within the black community and between racial and ethnic groups Each chapter whether addressing the health of African Americans by age gender type of disease condition or behavior is well detailed and tells an important story Together they offer practitioners consumers scholars and policymakers a crucial roadmap to address and change the social determinants of health reduce disparities and create more

equal treatment for all Americans Risa Lavizzo Mourey MD MBA president Robert Wood Johnson Foundation I recommend Health Issues in the Black Community as a must read for anyone concerned about the future of the African American community Health disparities continues to be one of the major issues confronting the black community This book will help to highlight the issues and keep attention focused on the work to be done Elsie Scott PhD president of the Congressional Black Caucus Foundation This book is the definitive examination of health issues in black America issues sadly overlooked and downplayed in our culture and society I congratulate Drs Braithwaite Taylor and Treadwell for their monumental book Cornel West PhD professor Princeton University *African, Caribbean and Black People's Resilience During COVID-19* Olasumbo Adelakun i,Jennifer Clarke,Delores V. Mullings,2023-10-17 A powerful testament to the resilience of Black communities during COVID 19 This collection provides critical discussions on the complexities of resilience in African Caribbean and Black ACB communities showcasing their strengths and determination in the face of adversity From Nigeria to Canada authors explore the disproportionate impact of COVID 19 on ACB people addressing structural barriers gender and sexual violence healthcare access and institutional anti Black racism Through reflections essays stories artwork and poetry they demonstrate vulnerabilities and celebrate the power of community involvement For readers interested in social justice Black studies and public health this book offers Insights into the unique challenges faced by ACB communities A deeper understanding of resilience in the context of systemic inequities Inspiration from stories of courage leadership and cultural preservation Discover how ACB people are acting in partnership for the betterment of their communities and what we can learn from their experiences **Building Health Coalitions in the Black Community** Ronald L. Braithwaite,Sandra E. Taylor,John N. Austin,2000 The book is especially useful for researchers policymakers public health practitioners and community leaders who have limited experience in both health coalition building and working with the African American community in particular CONTEMPORARY SOCIOLOGY An important book for African Americans nationwide I believe it will make a real impact on the way we view comprehensive health care for communities of color in this country Kweisi Mfume President and CEO NAACP In Building Health Coalitions in the Black Community Professor Ronald Braithwaite and his colleagues examine the phenomenon of coalition building with respect to diverse problems and situations they have encountered in their research The result is a significant contribution to knowledge of the method of coalition development and its application in African American Communities The book begins with a historical review of health care and collaboration involving the African American population generally The second chapter reveals federal and research foundation support for coalition building Following this are discussions addressing a wide range of issues relating to coalitions in the African American Community The theoretical basis of coalition building and coalitions in urban communities The role of formative process and summative evaluation in coalitions generally with examples of coalitions combating drug use The benefits that proceed from collaborations between African American religious institutions and public health officials and the role selection and training

of lay health advisors Ways coalitions in the African American community have responded to environmental issues such as hazardous waste facility siting Students in a variety of health science and related disciplines public health nursing medicine and allied health social work psychology sociology health education will find this an excellent general introduction to health promotion in African American communities

Health Issues in the Black Community Ronald L. Braithwaite,2001-04-12 Vigorous action must be directed to prevent disease promote overall health and deliver appropriate care within the African American population In this thoroughly updated and revised edition of Health Issues in the Black Community the authors offer an in depth examination of the most pressing health problems confronting the black community Written by a stellar panel of scholars and practitioners in the field this valuable resource examines such topics as chronic illnesses the effect of violence and health policy Health Issues in the Black Community also contains the most current thinking on relevant health delivery lifestyle and policy issues

Health Issues in the Black Community Ronald L. Braithwaite,Sandra E. Taylor,1992-11-05 The statistics concerning the health of blacks in America are staggering Black men are nearly twice as likely to die from cancer as the general population Black babies are twice as likely as white babies to die before their first birthday Black males fifteen to twenty four years old experience a homicide rate 700 percent higher than that for white males in the same age group The rate of AIDS among blacks is more than triple that among whites In this comprehensive resource the authors offer an in depth examination of the health problems confronting the black community and they offer viable strategies for providing improved health care and disease prevention efforts to this population In twenty five original chapters the authors detail how the AIDS epidemic chemical dependency cancer violence sickle cell anemia infant mortality lead poisoning and other health problems are affecting the black community Citing the need for innovative health care policies that are culturally sensitive the authors examine how African Americans can fare better in the health arena by implementing self determined strategic initiatives Health Issues in the Black Community discusses such issues as reproductive rights health policy formulation and community organization and empowerment Focusing on how social environmental and economic factors influence both psychological and physiological health this book will serve as a timely and useful resource for health care providers researchers educators students and policy makers

African Americans' Health Care Practices, Perspectives, and Needs Randolph Quaye,2005-04-07 Healthcare of the highest quality is what one should expect to receive in the United States Inequalities in the distribution and utilization of American health services will result in disastrous consequences for the nation as a whole African Americans Health Care Practices Perspectives and Needs examines the impact of healthcare discrimination upon the African American community Healthcare specialists and providers as well as ethnic studies scholars will benefit from this telling book

Medical Law: Text, Cases, and Materials Emily Jackson,2013-08-15 Providing a clear and accessible guide to medical law this work contains extracts from a wide variety of academic materials so that students can acquire a good understanding of a range of different perspectives

Bibliography on Racism, 1972-1975 Center for Minority Group Mental Health Programs (U.S.),1978 **Mental Health and People of Color** Jay C. Chunn (II),Patricia J. Dunston,Fariyal Ross-Sheriff,1983 Includes information on acculturation alcoholism American Indians Asian and Pacific Americans bilingualism blacks Chicanos Chinese Cuban Americans cultural pluralism culture and mental health the family folk healing Hispanic culture immigration Japanese melting pot theory Philipinos Puerto Ricans racism stereotypes traditional healing Vietnamese role of women etc

California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., **Health Care Issues in Black America** Woodrow Jones,Mitchell Rice,1987-03-23 This unique contribution to the literature represents an important adjunct in developing comprehensive policies that will meet the health care needs of underserved communities in American society The book is readable and contains useful documentation Recommended as an important reference for all academic audiences interested in the politics and delivery of health care Choice Editors Woodrow Jones Jr and Mitchell F Rice present a thorough analysis of the problems of health and health care particular to black Americans The contributors to this work analyze the factor of race as it influences the availability accessibility and quality of health care They focus on barriers to health care encountered by blacks and attempt to differentiate the problems of the black community from those of other disadvantaged groups Using epidemiological data the initial chapters evaluate the general health of the black population In subsequent chapters the contributors examine particular problems of groups within the black community problems which are based both on behavior and environment The work concludes by assessing the adequacy of governmental response to the problems identified *The History of the Health Care Sciences and Health Care, 1700-1980* Jonathon Erlen,1984 5004 entries to selected monographic and serial literature that guide the reader through the history of science and technology International subject coverage Introduction discusses sources of references Arrangement is by MeSH 1980 subject headings An asterisk indicates an academic thesis or dissertation Each entry gives the bibliographical information and brief annotation Index **Black San Francisco** Albert S. Broussard,1993 This work explores race relations in the city of San Francisco where whites for the most part were outwardly civil to blacks while denying them employment opportunities and political power The author argues that it is essential to understand the nature of the racial caste system **Traditional Healing Systems of the African Diaspora** ,1987 **Journal of Health Care for the Poor and Underserved** ,1990
