Hammer Poems:

Hammer Mark Turpin, 2003 Debut collection by a working carpenter Praised by Pinsky Gunn and others **The Night of the Hammer** Ned O'Gorman, 1959 **Hammer Is the Prayer** Christian Wiman, 2016-11-15 A visionary selection from one of America's foremost poets One of the most distinctive voices in contemporary American poetry Christian Wiman has forged a singular style that fuses a vivid and propulsive music with clear-eyed realism wry humor and visionary lament In his daring and urgent *The New York Times Book Review* memoir *My Bright Abyss* he asks What is poetry's role when the world is burning *Hammer Is the Prayer Selected Poems* might be read as an answer to that question From the taut forms of his first book to the darker more jagged fluencies of his second into the bold and pathbreaking poems of his last two collections *Hammer Is the Prayer* bears the reckless restless interrogations and the slashing lyric intensity that distinguish Wiman's verse But it also reveals the dramatic and narrative abilities for which he has been widely praised the junkyard man in *Five Houses Down* with his wonder cluttered porch and the eyesore opulence of his five partial cars or the tragicomic character in *Being Serious* who suffers the world's idiocy like a saint its pains *Hammer Is the Prayer* brings together three decades of Wiman's acclaimed poetry Selected by the author these poems reveal the singular music and metaphysical urgency that have attracted so many readers to his work and firmly assert his place as one of the most essential poets of our time **No Time for Dancing** Adam Hammer, 2010 Poetry Adam Hammer was an American original a sweet disturbing happy driven comic surreal and tragic baseball fan whose poems graze madly among a Rube Goldbergish circus of our tonalities foibles commodities and dreams He was also brilliant beyond belief to which this little book of gems excerpted from the unfinished manuscript he left behind will give ample testament Reading it will also cause many who never knew Adam to discover that they have been missing him Christopher Howell **Sparks from a Nine-pound Hammer** Steve Scafidi, 2001 Winner of the Levis Reading Prize Tell me a story of speed and tell it to me fast for the light is gaining and I will wake and with this body break the barrier between what I dream and what my dreaming means Sometimes a fact swings down like a hammer and we are changed The fact of loss the fact of desire and all the wild unruly facts of history hammer down and sparks fly up This then is a collection of facts In a rushing rolling style poems sweep to the edge of falling apart take great delight in defying that dissolution and come upon a thing redemptive and clarifying the fact of love In a world that doesn't really care whether we live or die Steve Scafidi writes tell it you do and why Against the harrowing fact of death Scafidi celebrates dream and desire and the sweet erotics of springtime Witnessing the budding of muscle trees the nakedness of a lover and the furious plowing of a river in the month of April amounts to a sensual equivalent of hope And yet the facts of history from Troy to Rome to Montgomery Alabama arouse a great dread of our own cruelties The truth of the South the poems show is often a brutal mix of ignorance and force that America learned from the great classical civilizations From the unthinkable to the quietly heroic somehow we have emerged *Sparks from a Nine Pound Hammer* celebrates that fact most of all **A Whole**

Bag of Hammers Ryan Buynak,2020-12-12 All of these poems were written by idiotic anti poet Ryan Buynak during the foul year 2020 The clinker is none of them have been edited in any way whatsoever So put that in your pipe and shove it up your ass We can all admit 2020 has been a big ol bag of hammers so here are some dumb poems to remind you of the doldrums the dangers the love the loss and the laughter Bye *Merrill: Poems* James Merrill,2017-03-07 A beautiful hardcover selection of poems by one of the giants of contemporary American poetry EVERYMAN S LIBRARY POCKET POETS James Merrill once called his body of work chronicles of love and loss and in twenty books written over four decades he used the details of his own life comic and haunting exotic and domestic to shape a portrait that in turn mirrored the image of our world and our moment Like Wallace Stevens and W H Auden before him Merrill sought to quicken the pulse of a poem in surprising and compelling ways ways indeed that changed how we came to see our own lives Years ago the critic Helen Vendler wrote of Merrill He has become one of our indispensable poets This volume brings together an entirely new pocket sized selection of the best of Merrill s work His poetry dazzles at every turn and this balanced and compact selection will be an ideal introduction to the work for both students and general readers and an instant favorite among his familiars

Hammer: New and Selected Poems Jerome Strong,2019-03-21 In this his 7th collection of poetry the poet weaves a tapestry of love inspired by Shakespeare and Virgil He opens the book with an intriguing assessment of society using the philosophies of Hegel Aristotle and Jung *Hammer and Praise* Jim Bodeen,1986 **The Hammer and the Fire** Henry Marsh,2011-10-04 In this collection Marsh moves via Kepler and Darwin into a celebration of nature searching within our secular world to find a language to render its mystery and concludes by touching on the great challenges we now face Following *The Guidman s Daughter* with his poems on Mary Queen of Scots Marsh begins this new collection with a sequence exploring the life and times of John Knox locating this ambivalent figure in the turmoil of the Scottish Reformation Marsh moves via Kepler and Darwin into a celebration of nature searching within our secular world to find a language to render its mystery and concludes by touching on the great challenges we now face Our striving to understand the nature of things hints perhaps at the possibility of a different kind of redemption **The Stone Hammer Poems, 1960-1975** Robert Kroetsch,1976 Saugerties Local Patrick Hammer, Jr.,2025-05 In *Saugerties Local* Patrick Hammer Jr puts on his adopted village like a brand new coat that gently wears into a beloved treasure Arrive with him by bus accompanied by the tap of his walking stick and find yourself on a journey to discover the length breadth and soul of this town beneath the Catskills Every building every brick wall every piece of wood has a story in these poems With precise craft that has the feel of casual description Hammer encounters both mundane and hallowed spaces with a toughness that amounts to all embracing reverence Hammers and Hearts of the Gods Fred Voss,2009 Poems *Poets Talk* Pauline Butling,Susan Rudy,2005-01-15 This is a book that takes on the hard questions about the role of poets in society together with the challenges of reading difficult poetry Using the relaxed format of the personal interview Butling and Rudy open doors to
