*Safe Journey* Julia Cameron, 2013-04-18 Julia Cameron bestselling author of *The Artist's Way* has a terrible fear of flying. Each time she is faced with the prospect of air travel her mind races and her heart cries out "No I can't go." In the wise and comforting volume *Safe Journey* Cameron shares the prayers, tools, and strategies she uses when traveling in order to overcome her fears and to enjoy the excitement that accompanies all of life's great adventures. Employing travel as a metaphor for all of the potentially frightening journeys we take in life be it a cross country flight or the journey to a new destination in life Cameron takes readers by the hand offering techniques that will enable them not only to rest easy for the duration of the trip but to feel exhilarated by the anticipation for whatever awaits them at the end of their travels. Full of the wisdom that has endeared her to readers everywhere *Safe Journey* is a slim little volume that will provide a world of comfort and inspiration for readers as they navigate life's journeys.

**Disruptive Thinking** T. D. Jakes, 2023-05-09 A NEW YORK TIMES BESTSELLER Think differently and find the courage to challenge the status quo with this mindset shifting guide to meaningful change. For most of our lives we are encouraged to trudge along the well-worn paths of those who have come before us. We learn the rules in our families, in our schools, in our workplaces, in our churches, and most of the messages we receive tell us that following the rules will allow us to arrive at the lives we desire. But when change becomes not only desirable but also urgently necessary, this way of being no longer serves us. In fact, in every human endeavor every major leap forward has involved a cataclysmic challenge to existing ways of thinking and being. Breakthroughs, by definition, run against the grain and almost always encounter skepticism and opposition. In this book for leaders, thinkers, doers, and creators Bishop T. D. Jakes illuminates the pathway to encouraging and unleashing disruptive thinking and provides the wisdom and practical skills we need to evolve our most original and potentially transformational ideas from vision to reality. Through his insight into how our minds and emotions work and through his experiences as a pastor, entrepreneur, and creator, Bishop Jakes leads us into a new way of relating to and transforming the world around us for good. *Disruptive Thinking* will show you the mindset and the tools you need to create groundbreaking and meaningful change in your own life and in the world around you. A Study Guide is also available for purchase.
