The New English Thomas Laurence Kington-Oliphant, 1886 British Books in Print, 1985 Erotic Cartographies
Krystal Nandini Ghisyawan, 2022-01-14 *Erotic Cartographies* uses subjective mapping a participatory data collection technique to demonstrate how Trinidadian same sex loving women use their gender performance erotic autonomy and space making practices to reinforce and resist colonial ascriptions on subject bodies The women strategically embody their sexual identities to challenge imposed subject categories and to contest their invisibility and exclusion from discourses of belonging *Erotic Cartographies* refers to the processes of mapping territories of self knowing and self expression both cognitively in the imagination and on paper during the mapping exercise exploring how meaning is given to space and how it is transformed Using the women s quotes and maps the book focuses on the false binary of public private the practices of home and family and religious nationalism and spiritual self seeking to demonstrate the women s challenges to the structural symbolic and interpersonal violence of colonial discourses and practices related to gender knowledge and power in Trinidadian society

British and Colonial Printer and Stationer, 1912 **Assessment at 16** Keith Selkirk, 2020-05-04 What students are deemed to have achieved when they are sixteen is the measure of how successful or otherwise their progress through the system of compulsory education has been And yet despite the importance of the process there has been no clear consensus about how best to assess students at sixteen The various formal examinations which have been tried have now largely been superseded by the GCSE a common system of examining at sixteen Originally published in 1988 the book discusses the development of this system its application to the main subject areas of the curriculum and some of its innovative aspects from both a theoretical and a practical standpoint In addition it also looks at the broader aspects of assessment of pupils at the age of sixteen and how we can give a more rounded indication of their achievements and abilities by the use of profiles and records of achievement **English in Australia**, 1989 Journal of Biblical and Theological Studies, Issue 6.2 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2022-03-11 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics
