Fugitives Trail:

David Rattray's Guidebook to the Anglo-Zulu War Battlefields David Rattray,2013-02-18 South African born and bred David Rattray's name is today synonymous with the Anglo Zulu War Now for the first time his encyclopaedic knowledge is available to the reading public With its magnificent colour artwork including superb paintings detailed maps and lively and informative text this book will be greatly welcomed by both readers at home and visitors to the sites themselves *Rorke's Drift Revisited* Adrian Greaves,2025-08-30 Offers a thoroughly revised account of the 1879 battle challenging long held myths with new research and evidence Dr Adrian Greaves is widely acknowledged as a leading expert on the Anglo Zulu War of 1879 and his previous account of Rorke's Drift has become a standard work on that battle However by his own admission it is hopelessly out of date as are other existing accounts *Rorke's Drift Revisited* is not merely a revised edition of that earlier work but a completely new account with much new research that challenges many misconceptions and myths Explaining how previous accounts have been distorted by false reporting false memory syndrome ignorance of the site and archaeological evidence the author presents fascinating fresh evidence and analysis Among the more sensational revelations is that Lieutenant John Chard did not write the famous Chard Report which has been the main primary source for the battle He also shows that neither Lieutenant Ardendorff nor the missionary Reverend Otto Witt was there Nor were the famous mealie bag and biscuit box barricades hastily erected as per the film they were carefully planned and built over several preceding days Drawing on previously neglected eyewitness accounts as well as the latest archaeological evidence there is a wealth of other new information and fresh perspectives The shift in perceptions of the battle and its hold on the national psyche is also discussed Uniquely over a quarter of a century of physically revisiting Rorke's Drift and associated sites as a tour leader allows him to give an accurate appraisal of the battlefield today **Isandlwana** Adrian Greaves,2014-04-19 The historian and founder of the Anglo Zulu War Historical Society presents his groundbreaking account of the Battle of Isandlwana The story of the British Army's defeat at Iswandlwana in 1879 has been much written about but never with the detail and insight revealed by the research of Dr Adrian Greaves In reconstructing the dramatic and fateful events Greaves draws on newly discovered letters diaries and papers of survivors and other contemporaries These include the contemporary writings of central figures such as Henry Harford Lt Henry Carling of the Royal Artillery August Hammar and young British nurse Janet Wells These historical documents coupled with Greaves's own detailed knowledge of Zululand enable him to paint the most accurate picture yet of this cataclysmic battle that so shamed the British establishment We learn for the first time of the complex Zulu decoy the attempt to blame Colonel Durnford for the defeat Greaves uncovers evidence of another Fugitives Trail escape route taken by battle survivors as well as the identity of previously unknown escorts for Lieutenants Coghill and Melville both awarded Victoria Crosses for trying to save the Colors **Crime Detection** Frank Dalton O'Sullivan,1928

Dead Was Everything Keith Smith,2014-05-31 The Anglo Zulu War of 1879 still intrigues both scholars and enthusiasts

alike more than 130 years after it was fought Its story contains tragedy high drama and the heavy loss of human life it involved five major battles and two lesser fights and led to the snuffing out of the direct male Napoleonic line of France And all this in less than one year Reflecting on several years research Keith Smith presents a series of essays which explore hitherto unanswered questions and offer fresh insights into the key battles and protagonists of this epic conflict He presents some surprising conclusions which differ often radically from more orthodox views He also sets out to reveal the characters of the men of both sides who might otherwise have been simply names on a page They are not they lived loved fought and died Some were heroes while others were less than that Most were ordinary men who chose a military career and did their best as far as they were able White or black British or colonial they are all brought to life and their unique stories told This is an important contribution to our understanding of this famous war and the men who fought in it **The Freebooters of the Wilderness** Agnes C. Laut,1910 **How Can Man Die Better** Mike Snook,2010-05-30 This chronicle of the first battle in the Anglo Zulu War is the most powerful and moving modern account of the great Zulu epic that I have ever read Richard Holmes historian and author of *The Age of Wonder* On January 22 1879 a massive Zulu host attacked the British Army s 24th Regiment in its encampment at the foot of the mountain of Isandlwana It was the first major encounter in the Anglo Zulu War and a disastrous defeat for the colonial power Later that afternoon the victorious Zulus would strike the tiny British garrison at Rorke s Drift **How Can Man Die Better** is a unique analysis of the Battle of Isandlwana covering the weapons tactics terrain and the intriguing characters who made key military decisions While much is still unknown about the battle this work eschews the commonly held perception that the British collapse was sudden and that the 24th Regiment was quickly overwhelmed Rather historian Mike Snook argues that there was a protracted and heroic defense against a determined and equally heroic foe A British Army colonel who served in South Africa Snook reconstructs the final phase of the battle in a way that has never been attempted before [The New Zealand Wars](#) James Cowan,1923 [The Missionary](#) Edison Marshall,1930 **Captured by Zulus** Harry Prentice,1890 *War Papers Read Before the Commandery of the State of Wisconsin* Military Order of the Loyal Legion of the United States.
