*WHSmith - National Tests Mental Arithmetic Set 1 10-11 Years Key Stage 2* Sean McArdle,1999-09-28      **English 5-11**

David Waugh,Wendy Jolliffe,2016-06-23 English is central to the primary school curriculum and successfully mastering the basics has a significant influence on pupils ability to learn and achieve their future goals Now fully updated English 5 11 provides comprehensive up to date and creative guidance on teaching English in the primary school Each chapter provides the busy teacher with indispensable advice and guidance as well as opportunities to reflect upon current practice in the classroom Key areas covered include language and literacy development grammar punctuation and spelling talk for learning systematic synthetic phonics fiction poetry and non fiction drama and creativity teaching in a multilingual classroom ICT Planning and assessment This third edition reflects changes in government policy and gives greater attention knowledge about language and is closely related to the changing curriculum for primary English The highly experienced authors are former literacy advisors and have frontline teaching school management and teacher training experience This book will be an invaluable resource for all trainee and practising teachers interested in teaching English in an accessible contemporary and dynamic way      Understanding and Applying Assessment in Education Damian Murchan,Gerry Shiel,2024-04-09 All teachers are responsible for assessing the children they teach and the outcomes of any assessment are important for individual learners schools and wider education systems Designed as a pragmatic guide for new teachers and those training to teach this book is your one stop shop for understanding assessment in schools It covers formative and summative approaches used across primary and secondary education supporting a balanced overview with policy examples drawn from the UK Ireland and wider international contexts This updated second edition reflects recent trends in assessment and includes more balanced coverage across primary and secondary age phases with a broader range of examples across curriculum subject areas a new chapter on the potential of digital assessment for both formative and summative purposes the impact of the COVID 19 pandemic on assessment in general and examinations in particular Damian Murchan is Associate Professor in the School of Education at Trinity College Dublin Gerry Shiel is a Research Fellow at the Educational Research Centre Dublin Ireland      *Training to Teach in Primary Schools* Jane Medwell,2015-03-19 Full of practical help and guidance this is a must have for primary trainees on school experience whether they are in a school based or university based teacher training programme It begins by helping trainees to plan their own journey through training and beyond Taking control of their own training in this way supports student teachers to approach the course with confidence and secure their first teaching job The book provides guidance on adapting to working in school observing planning and evaluating in school teaching on placement assessing monitoring and reporting on children s progress self evaluation and how to pre empt and resolve issues securing the first teaching job and succeeding in the NQT year For student teachers the experience of school based training is exciting but also challenging this book supports them throughout and prepares them for the journey ahead

Student feedback on this book Having been on a variety of teaching placements myself I know just how daunting and overwhelming experiences in school can be at times even with a supportive mentor by your side Hence I felt that this book can smooth out and rectify those worries one may face during a school placement and offers the reader a realistic insight into school experiences In my opinion the most useful chapter by far is the Moving On chapter near the end of the book This explains how to conclude a school placement what to expect from an interview and even how to set out a CV for a teaching position This was not something I expected to find in this book however it was very much welcomed and is in fact a very important valuable part of the book This is the type of book you can buy on your very first day of teacher training and use well into your days as a newly qualified teacher Jasmin Primary Teacher Trainee University of Northampton
