Gross Jokers:

The American Stationer, 1883 **No Joke** M. Keith Booker, 2023-05-18 No Joke is a detailed examination of Todd Phillips's Joker, one of the biggest global box office hits of 2019. While his success was no doubt partly because of the association of its title character with the Batman superhero franchise, Joker is anything but a flashy superhero romp. It does explore the pathologies of its central character and suggest ways in which his life experiences might have driven him to become a supervillain, the arch enemy of Batman. At the same time, the film leaves open the possibility that its Joker is not in fact the same as the one conventionally associated with Batman. In fact, the film leaves open many interpretive possibilities. In keeping with the complex work of postmodern art, that it turns out to be, Joker also engages in extensive dialogues with a range of works from modern American culture, especially the films of the 1970s and 1980s, the period in which the action of Joker is set. Moreover, Joker is a highly political film that comments in important ways on American political history from roughly the beginning of the presidency of Richard Nixon through the end of the Trump presidency, with a special focus on the Reagan years. It also comments in more general and fundamental ways on the very nature of American society and American capitalism. All this and more is covered in M. Keith Booker's analysis of one of the most talked-about films of recent years.

The American Bookseller, 1872 Joker and Philosophy Massimiliano L. Cappuccio, George A. Dunn, Jason T. Eberl, 2024-10-08 A philosophical exploration of Joker and the meaning of the iconic antagonist's murderous escapades. A diabolically sinister but clownish villain, Joker is a symbolically rich and philosophically fascinating character. Both crazed and cunning, sadistically cruel but seductively charming, the Clown Prince of Crime embodies everything opposed to the positive ideals of order and justice defended by the Batman. With his enigmatic motivations, infectious irreverence, and selfless devotion to evil, Joker never fails to provoke a host of philosophical questions. Joker and Philosophy plumbs the existential depths of the most popular of Gotham City's gallery of villains with an abundance of style, wit, and intelligence. Bringing together essays by a diverse panel of acclaimed scholars and philosophers, this engaging, highly readable book delves into the motivations, psychology, and moral philosophy of the character for whom mayhem and chaos are a source of pure delight. Easily accessible yet philosophically substantial, chapters address the comics, animated movies, television shows, video games, and live-action films, including memorable portrayals by Heath Ledger in Christopher Nolan's *The Dark Knight* and Joaquin Phoenix in Todd Phillips' *Joker* and its upcoming sequel *Joker Folie Deux*. *Joker and Philosophy* offers deep insights into moral and philosophical questions such as: What is a sane response to a mad world? Can laughter be liberating? Is civilization a thin veneer over our natural lawlessness? Can violence ever be justified in response to an unjust social order? Is one bad day really all it takes to create a villain? Exploring a broad range of timeless issues of human nature, the metaphysics of freedom, the nature of identity, good and evil, political and social philosophy, aesthetics, and much more, *Joker and Philosophy: Why So Serious?* is a must-read for all fans of one of the most fascinating villains in the DC Comics universe.

The Multimedia

Directory Clancy Fort,1996-09 **Red Joker Rules** Pat Holland,2010-02-23 Gambling is investing and investing is gambling says the Red Joker Both situations begin with a common pool of money The pool is distributed among those who have created it on the basis of a series of events that are partly controllable Through a mixture of skills self control and sheer luck some of those who have created it will receive more than others There is no inherent difference between sifting through a horse s prospects of winning a race and a company s prospects of returning regular profits There is no inherent difference in deciding whether to raise the betting on a particular hand of cards and deciding whether a property is a good or bad buy But there is a world of difference between the pace of gambling and the pace of investing A gambler faces as many investment situations in a week as an investor does in a lifetime The rules are the same but the gambler is in a situation where he can learn the rules very quickly This is a book of advice from the gambler to the investor The Red Joker Rules

Cracking Up Paul Lewis,2006-10-02 What do Jon Stewart Freddy Krueger Patch Adams and George W Bush have in common As Paul Lewis shows in Cracking Up they are all among the ranks of joke tellers who aim to do much more than simply amuse Exploring topics that range from the sadistic mockery of Abu Ghraib prison guards to New Age platitudes about the healing power of laughter from jokes used to ridicule the possibility of global climate change to the heartwarming performances of hospital clowns Lewis demonstrates that over the past thirty years American humor has become increasingly purposeful and embattled Navigating this contentious world of controversial manipulative and disturbing laughter Cracking Up argues that the good news about American humor in our time that it is delightful relaxing and distracting is also the bad news In a culture that both enjoys and quarrels about jokes humor expresses our most nurturing and hurtful impulses informs and misinforms us and exposes as well as covers up the shortcomings of our leaders Wondering what s so funny about a culture determined to laugh at problems it prefers not to face Lewis reveals connections between such seemingly unrelated jokers as Norman Cousins Hannibal Lecter Rush Limbaugh Garry Trudeau Jay Leno Ronald Reagan Beavis and Butt Head and Bill Clinton The result is a surprising alarming and at times hilarious argument that will appeal to anyone interested in the ways humor is changing our cultural and political landscapes **King and Joker** Peter

Dickinson,2015-04-07 In the cavernous halls of Buckingham Palace a series of pranks lead to murder in this mystery by CWA Gold Dagger winner Peter Dickinson Princess Louise and her father King Victor II of England agree that life has become painfully dull When she s not in school Louise spends her days roaming the palace and fulfilling her royal duties while her father fusses over budgets and attempts to keep his family out of the tabloids So when a prankster begins placing frogs on the breakfast trays Louise delights in the break from routine as does King Victor But this innocent mischief soon escalates into bloodshed when a body is found in the palace In an attempt to quell his family s panic King Victor resolves to catch the killer At last he has a purpose but the palace may be in greater danger than either he or Louise suspects **Railway Mail**
