Jones K. Kasonso Ph.D., 2017-06-30 Fresh from a near death experience in the hospitals of Washington DC, Dr Kasonso explains the essence of life in our world today, including timeless principles, inspirational stories, and a personal witness of what holds life together. Human existence is a quest to find significance. We all want our lives, our activities, our situations, and the people around us to make sense. But in our broken world, life is always juxtaposed by endless predicaments. As such, we all live through unresolved dilemmas, we all carry around unanswered questions, and we all live through unexplained events. There are always two sides to every life story: what we know and we do not know, what we can reach for and what is completely beyond us, what we can live with and what we can live without. Relive the principles that make life worth living and discover a way to find meaning in a broken world. In [The Original Templates](#), Dr Kasonso beautifully captures the essence of what it means to live a life that is fully surrendered to Jesus. It is inspiring, it is encouraging, it is challenging. Read it slowly and let it shape your heart and mind in the way of Jesus.
