However powerful and influential Israel is, and whatever the networks that operate on its behalf and heed its orders on the international arena, we do have elements of power that exceed by far any forces that Israel can mobilize against us.~~

~~You heard me say that we care little about procedural methods. Let me state clearly before our people, the Arab nation and the world at large that we are ready to go to Geneva and to sit for the peace talks, despite all the procedural impediments raised by Israel to deprive us of the opportunity by irritating us so that we will say «No», as we used to do in the past. To say «no, we will not go,» so that it can appear as the advocate of peace before the world.~~

~~I am ready to go to Geneva. You must have heard me say that I would go to the end of the world to spare an injury to one of our men, much more the death of one. Israel must be greatly surprised to hear me say that I am even ready to go to the Knesset and discuss with them.³~~

In the name of God, the Gracious and Merciful.
Mr. Speaker, Ladies and Gentlemen:

Peace and the mercy of God Almighty be upon you and may peace be for us all, God willing. Peace for us all on the Arab land, and in Israel as well, as in every part of this big world,
