Robert J. Hoshowsky

Executioner Always Chops Twice:

The Executioner Always Chops Twice Geoffrey Abbott,2004-04-03 A morbidly fascinating mixture of bungled executions strange last requests and classic final one liners from medieval times to the present day Sometimes it s hard to be an executioner trying to keep someone from popping up to make a quip when they should have spectacularly sunk without a trace Or to be told that the condemned to the guillotine won t have a last drink for fear of completely losing his head The business of death can be absurd and nothing illustrates this better than these tales of the gruesome and frankly ridiculous ways in which a number of ill fated unfortunates met or failed to meet their maker Did you know When Sir Thomas More was ordered to position his head on the block he said though you have warrant to cut off my head you have none to cut off my beard When the guillotine took three strokes to sever the neck of Isabeau Herman the mob attempted to stone the executioner to death for cruelty After the English hanged the pirate Captain Kidd they chained his body to a stake on the Thames River as a warning to seafarers From the strange to the gruesome from the weird to the completely unbelievable *The Executioner Always Chops Twice* is popular history at its best witty lively and wonderfully bizarre *The Last to Die* Robert J. Hoshowsky,2007-04-30 Although they committed separate crimes Arthur Lucas and Ronald Turpin met their deaths on the same scaffold at Toronto s Don Jail on December 11 1962 They were the last two people executed in Canada but surprisingly little was known about them until now This is the first book to uncover the lives and deaths of Turpin a Canadian criminal and Lucas a Detroit gangster The result of more than five years of research *The Last to Die* is based on original interviews hidden documents trial transcripts and newspaper accounts Featuring crime scene photos and never before published documents this riveting book also reveals the heroic efforts of lawyer Ross MacKay who defended both men and Chaplain Cyril Everitt who remained with them to the end What actually happened the night of the hangings is shrouded by myth and rumour This book finally confirms the truth and reveals the gruesome mistake that cost Arthur Lucas not only his life but also his head **Public Executions** Nigel Cawthorne,2006-09-28 The sentence of this court is that you be taken from this place to whence you came and from there to a place of lawful execution there to be hanged by the neck till you be dead and may the Lord have mercy on your soul Extract from judicial death sentence England c 16th 20th century Societies throughout history have adopted many and varied methods of meting out the ultimate sanction of capital punishment to their more unruly members Although a number of countries across the globe still execute their own citizens on occasion in public the modern world in general views execution with distaste and public execution doubly so *Public Executions* documents the phenomenon of state sanctioned killing from the ancient world to modern times and in doing so shows that although we regard the ancient practices with horror they would have been equally bemused by our modern scruples and would have regarded execution behind closed doors as little short of murder *Public Executions* is a gruesomely enthralling account of public executions down through the ages and from around the world **Execution** Geoffrey Abbott,2006-04-04 Execution is

a gruesomely fascinating account of methods of judicial Execution from around the world and through the ages and includes such hair raising categories as death by cannibalism being sewn into an animal s belly and a thousand cuts In his own darkly humorous style Geoffrey Abbott describes the instruments used and their effectiveness and reveals the macabre origins of familiar phrases such as gone west or drawn a blank as well as the jargon of the underworld From the preparation of the victim to the disposal of the body Execution answers all the questions you are ever likely to ask and some you would never want to imagine

A Day in a Working Life Gary Westfahl,2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field

Books for the Teen Age, 2005 New York Public Library. Office of Young Adult Services,2005 Books for the Teen Age New York Public Library,2006 Amazing True Stories of Execution Blunders Geoffrey Abbott,2005-06-05 The business of death can be seriously absurd and nothing illustrates this better than these gruesome true tales This gory compendium details the frankly ridiculous ways in which a number of ill fated unfortunates met or failed to meet their maker at the hands of lamentably inept executioners With black and white illustrations this book brings together a mixture of bungled executions strange last requests and classic one liners from medieval times to the present day

Forthcoming Books Rose Arny,2003 **Lipstick on the Noose** Geoffrey Abbott,2003 From the Yorkshire Witch who was accused of murder when a potion for good health turned out to be fatal to the woman who survived the gallows and took her empty coffin away with her this book contains macabre true stories of executed women from around the world

The Top Books of the Year Executioner Always Chops Twice The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Executioner Always Chops Twice : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
