**Everyday Classics** EVERYDAY CLASSICS., Franklin Thomas BAKER, Mildred BATCHELDER, Fannie Wyche Dunn, Ashley Horace THORNDIKE, Everyday Classics Franklin Thomas Baker, Ashley Horace Thorndike, 1922 The Everyday classics are a series of school readers basued upon a valid principle and a vital need The principle is that there is a considerable body of good literature which is simple enough to be understood and enjoyed by children It is of good value to read stories like these childhood to be retained as an influence upon one s on attitude towards life The need for such a series is seen in the fact that many children are put in touch with so little of this common heritage Everyday Classics Franklin Thomas Baker, 2018-01-25 Excerpt from Everyday Classics Eighth Reader the Introduction to Literature Boox eight of the Everyday Classics is an introduction to literature In carrying out this purpose it completes the aim of the series to put before the pupil selections which are both excellent and familiar which form a valued part of the heritage of the nation and the race In the earlier books however it has often seemed advisable to direct the attention to the heroes described the stories told and the morals enforced rather than to a study of literary excellence This book more distinctly than any of its predecessors is devoted to the study of literature It seeks to encourage a knowledge and appreciation of the best that has been thought and imagined The Seventh Book offered an account of the history and ideals of our own country as set forth by its chief authors In the Eighth Book we go to the great masters of the world and especially to those authors who from Shakespeare to Tennyson have been the glory of the English language These two books thus complete the basic course in reading on the plan of the Everyday Classics and they prepare the way for the more thorough study and appreciation of both American and English literature They are especially adapted for use in Junior High Schools About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Everyday Classics** ,1929 **Everyday Classics** Franklin Thomas Baker, 1920 **Everyday Classics** Franklin Thomas Baker, 1919
