*Everyday Classics* Franklin Thomas Baker, 2017-12-11 Excerpt from *Everyday Classics Fifth Reader* This series of Readers has been prepared in the belief that the instruction in reading in the schools should be based on a selection of the classics of our literature The child is introduced not only to what is excellent in itself but to what his father and mother have read before him to what has become a valued part of the heritage of the nation and the race All other school reading should be supplementary to this study of what is best in literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
