Crime Scene Investigator (CSI) Field Guide Sarah Lambert, 2025-11-17

Crime Scene Investigator CSI Field Guide is a convenient and handy reference guide ideally suited for use in the field by crime scene investigators CSI both sworn and civilian In addition to the field it can also be used in the classroom as a comprehensive refresher as part of formal training A shift in personnel has occurred in forensic science over the past few years and the old school detectives older sworn personnel are retiring leaving it to newer younger but more inexperienced civilian personnel to take their place As a result and as new technologies are developed and training advances this book will help bridge the gap between the new and old the classroom and the field CSI training is broadly extensive though it can often vary in depth In addition it is not possible for a CSI to retain absolutely everything that they have been taught while mentally processing the scene they are involved in This book seeks to address this by covering information for troubleshooting photographs evidence collection including what evidence to look for and process and checklists for several types of scenes to ensure all necessary actions are taken A reliable reference to confirm steps reference a chemical field test or verify the necessary equipment required the Crime Scene Investigator CSI Field Guide serves as an invaluable on scene tool to any new or seasoned CSI professional Sarah Lambert holds a master s degree in forensic science from Nebraska Wesleyan University and worked as a crime scene investigator for over 12 years running all types of scenes Sarah worked in Stockton California and Houston Texas for the Crime Scene Unit responding to all evidence related calls including burglary robbery domestic violence homicide officer involved shootings as well as processing crime scene vehicles Sarah is a certified senior crime scene analyst and member through the International Association for Identification IAI and a certified forensic manager 1 from the National Forensic Science Academy
