**The Science of Qualitative Research** Martin J. Packer, 2018 This updated edition is an examination of qualitative research in the social sciences exploring its roots to analyze its current state.     The Academic Presentation: Situated Talk in Action Johanna Rendle-Short, 2016-12-14 How is the task of giving a presentation accomplished? In this insightful book Johanna Rendle Short unpacks this seemingly simple task to show the complexity that underlies it. Examining the academic presentation as a case in point she details how seminar presenters interact with the audience and objects around them to produce a coherent whole. Through detailed examination of talk in interaction the book throws light on one instance of talk as situated practice demonstrating both the ordinariness of the academic presentation and its intricate complexity. While audience members recognize that a seminar is underway this book shows how this recognition comes about. The Academic Presentation will greatly interest scholars of talk and interaction analysis, situated talk, ethnomethodology and conversation analysis.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
