

The most dangerous of all false doctrines is the one seasoned with a little truth. It is impossible to rightly govern the world without God and the Bible.

False Doctrines:

False Doctrines John R Rice,1994-12 *False Doctrines and False Teachers* William S. Plumer,2015-01-09 For they mouth empty boastful words and by appealing to the lustful desires of sinful human nature they entice people who are just escaping from those who live in error They promise them freedom while they themselves are slaves of depravity for a man is a slave to whatever has mastered him 2 Pet 2 18 19 Late in life the Apostle of the circumcision said to his Christian friends there were also false prophets among the people just as there will be false teachers among you They will secretly bring in destructive heresies even denying the Master who bought them and will bring swift destruction on themselves 2 Pet 2 1 His beloved brother the Apostle of the Gentiles gave a like warning I know that after I leave savage wolves will come in among you and will not spare the flock Even from your own number men will arise and distort the truth in order to draw away disciples after them So be on your guard Remember that for three years I never stopped warning each of you night and day with tears Acts 20 29 31 With such warnings from God s Word we should not be surprised to find that in every age the Church of God has been tried by the deceits and errors of men who concerning the faith were reprobate We should expect such things and watch and stand firm and not be shaken There have always been false brethren and false teachers as there were formerly false apostles false prophets and even false Christs False teachers are those who teach false doctrine Grievous wolves are they who make havoc of the flock of Christ Such often gain advantage over weak but godly men by teaching with zeal and clearness some important truths These are intended to put a coat of sugar over the poisonous pills they administer Modern Perfectionists prate much about holiness and thus persuade men that their system cannot be bad while yet they are sapping the very foundations of good morals Antinomians often speak with power of the richness and freeness and sovereignty of Divine grace and yet all the while they are turning the grace of God into a license for sin and making Christ the minister of sin Men who exalt human nature commonly urge that they are trying to give correct notions of the dignity of man and to awaken a deep sense of responsibility By thus mixing error with truth men hope that their false doctrines will pass unsuspected Let no man be deceived The nature of falsehood is not changed by mingling it with truth Counterfeit money often has good bills mingled with it **4 Great Heresies, 4 False Doctrines -- that Puzzle and Hurt** John R. Rice,1975

The Christian Doctrine Paradox Philip Joel Walls,2020-10 The atheist the agnostic and the devout religious alike each and every one of us must at some point come to address these universal questions Why are we here How did we get here What is the meaning of life Why are there so many divisions in our Christian churches Why are so many people deceived by a multitude of worldly religions How do we witness a true Christian faith to the religions and philosophies of the world So many questions at so great a cost for the wrong answers This book *The Christian Doctrine Paradox* is the perfect illustration of where things went wrong how we can make it right again and what can ultimately be defined as Predestination the reason for life on this planet and much much more *Job* Samuel G. Dawson,2018-09-04 The book of Job deals with the use that

God intends for man to make of suffering that he encounters in this life. When we conclude our study of the book we'll have learned that there's not one verse of its 42 chapters that tells why man suffers. Hopefully we will have learned how to not misbehave like Job and his three friends did on the occasion of his suffering but hopefully we will have learned how to conduct ourselves properly in the midst of suffering both our own and that of our friends and the uses that God intends for us to make of it. Suffering of course is a problem that everyone has to deal with at times in his life. To the atheist suffering may prove that there is no God for it may be his view that a righteous God would not allow people to suffer. To the polytheist suffering presents no problem because believing in many gods he simply asserts that good gods don't cause or permit suffering while bad or inferior gods do cause and permit it. For you and I though suffering may present serious problems how could a righteous God permit his people to suffer in this life and what use does he want us to make of it? That's what we learn from our study of this great book. A Brief Explanation of the Title of This Book. You may be asking Why in the world would someone assert that a divinely inspired book of the Bible is a large collection of false doctrine? It's a good question. First because something is inspired doesn't mean it's true just that God intended for it to be in the Bible. II Tim 3:16. The book of Job begins with God's testimony that Job is a righteous man. However when Job falls on horrible times he does what many of us do in such circumstances and shoots his mouth off falsely accusing God for what has happened to him. Job also has three godly friends who in their enthusiasm to defend God against Job's false accusations embrace a prevalent false doctrine in their time. In New Testament times Jesus encountered it in Jn 9:2 and ours that holds that any great sufferer is a great sinner. Since Job is greatly suffering they reason he must be a great sinner and they accuse him of great sin. To them Job's sin is as clear as a bell regardless of God's pronouncing Job blameless. Though he had been blameless now that Job's in the depths of his suffering he falsely and at length accuses God of not caring about his situation. Thus this long book is composed of speeches by Job and his three friends that are filled with false accusations against God and false doctrines used to defend God. It's a great debate between four godly people that fails. Finally God sends a young prophet to rebuke Job for his sin of falsely accusing God and his friends for their well meaning but false statements in defense of God. This young prophet then sets forth the proper use that godly people are to make of suffering in this life and that's the value of the book to us to prevent us from falsely accusing God when we encounter suffering either our own or that of others and to help us use our bad situations in the way God would have us to.

False Doctrines in the Christian Church Mel Heath, 2008-02. Today as we look around us we see a world that seems to be making huge steps of progress in every arena thanks to the age of technology. Everything is better and faster. However when we take a closer look at the facts that can easily be found on the web we find that the moral fabric of society is declining at an alarming rate. The cities of our nation are rapidly becoming as evil and profane as Sodom and Gomorrah. What should be of greater concern is that the Christian Church all those that profess to be followers of JESUS CHRIST is seen by nonbelievers as being no different than the world around them. More

than three quarters of the population of the United States claims JESUS as their LORD yet this nation is morally bankrupt What has happened to the Christian Church The purpose of this book is to help us take a closer look at what ALMIGHTY GOD has said about what the problem really is There is not much of any real importance that can or should be said about myself although I would like everyone to know that before I met JESUS I was the perfect picture of the chief sinner that the apostle Paul claimed to be As I look upon my past I know Paul would not have had a chance for the title if his life before CHRIST was compared with my own Glory be to GOD who empowers and inspires a wretched man s soul to do good For anyone to know more about me would bring them little gain however to know the one who can empower and inspire anyone who truly wants to change to become reconciled to our HEAVENLY FATHER is of the highest gain

The Bible Exposition Commentary
Warren W. Wiersbe,2003 Volume 6 of the Bible Exposition Commentary 6 volume set Considerations on Eucharistic Worship, Or, True and False Doctrine of the Eucharistic Sacrifice James Russell Milne,1893 False Doctrines Jesus
Villalobos,2017-02-06 Christian doctrine has long been due for a closer look This book goes into Scripture to prove that many accepted doctrines within Church walls do not fit what Scripture declares One example of this would be what is known as the Born Again doctrine This doctrine has been used to accept anyone who comes forward during an alter call into the family of God However is this what Scripture teaches as the true doctrine of Christ No Scripture states that only one man had to be born again That man was Christ Unfortunately when people read Scripture they fail to see that the singular is used when Christ explains His true doctrine to Nicodemus He plainly states that A Man speaking of Himself must be born again in order for Nicodemus to see not enter into the Kingdom of Heaven Thus any who would be born again were born again the same instant Christ was born again when He rose from the dead They cannot be born again during their physical lifetime here on earth They were already born again through Christ when He resurrected Therefore they were chosen before they were even born This proves that God does the choosing and men cannot choose to be saved God chose and caused to be born again those whom He wanted as His children before they were even born as Christ resurrected This and many other subjects are tackled in this book Many seemingly harmless doctrines have invaded the Church Yet when viewed from a Scriptural point of view we see that indeed it makes a tremendous difference what a person believes is the sound doctrine taught by Christ Yeshua was very specific as to whom He was speaking When He used the singular He was speaking of one person It is only when He used the plural that He was speaking to men in general Therefore much of what is used to guide Christian today was not meant for them at all and was rather speaking of Christ or someone in Scripture particularly Careful examination disproves many accepted doctrines within the Church today Let s take a closer look at the doctrines Christ taught together and maybe just maybe the light will begin to shine upon you in truth

12 False Teachings in the Church Robert A. Avila,2025-06-06 Are you walking in false doctrines If you want to be set free from some of the most common snares and traps of the enemy this book is a must read *God Loves Doctrine* Moreno Dal Bello,2015-12-21 DOCTRINE It is one of the

most despised words among many who consider themselves Christians It is hated because it is considered to be that which divides Christians causes strife and prevents unity among the brethren Doctrine divides they say We need unity etc This all sounds so nice and is readily accepted as the Christian thing to do and that it pleases God so much to see people casting aside their differences respecting each other s point of view and endeavouring to live in ecumenical bliss Doctrine DOES divide it does separate It divides God s children from the children of wrath it separates God s sheep from the cursed goats and it differentiates between God s wheat and the Devil s tares It is by doctrine that one can know God Who He is and what He has done It is through doctrine that God reveals Himself

Who Hath Believed Our Report? Moreno Dal Bello,2015-09-08 A look at the questions and objections concerning the great Gospel of God and the ramifications of not believing it which its enemies have made Not all the enemies of the great Gospel of God the only Gospel I might add which Scripture calls the power of God unto salvation Rom 1 16 overtly oppose the doctrines it contains The opposition by those of the Arminian persuasion who do overtly oppose the great Gospel doctrines which attribute all of salvation to the God of Grace leaving no room for man to boast are not what we shall be discussing in this booklet The kind of opposition we will be addressing comes from those people who proudly call themselves Calvinists or Reformed Calvinists to be precise These Calvinists claim to believe the doctrines we teach as the

very doctrines of the Gospel taught in the pages of the Bible but they draw the line when it comes to judging saved and lost by the Gospel by the ramifications that are part and parcel of those doctrines *Ante-Nicene Exegesis of the Gospels* ,1928

God So Loved The World Lyle W Lange,2006-07-01 These are the Scriptures that testify about me John 5 39 Devoted entirely to what the Bible teaches and Christians believe *God So Loved the World* emphasizes the gospel to show that Jesus Christ and the salvation he won for all people are at the center of all Bible teachings You will be reminded that every biblical teaching relates to the Bible s central teaching that God sent his Son to seek and save lost sinners Author Lyle Lange writes about the Bible s basic and more difficult teachings with special emphasis on Jesus so that you in turn will be strengthened in your beliefs and be led to boldly share the gospel news with other people This masterful work of Christian doctrine is split into seven sections In this book you ll learn about topics such as the Trinity angels creation Christ s threefold office faith conversion justification sanctification election marriage and more Introduction to the Study of Christian Doctrine Theology Anthropology Christology Soteriology Eschatology Temporal Estates *LEARN TO DISCERN* Daniel Plunkett,2018-07-27
