

Metes and Bounds

- This system describes property lines based on local markers and bounds drawn by humans, often based on topography.
- Lines are described with respect to natural or artificial monuments and baselines defined by these monuments.
- The metes and bounds survey is based on a point of beginning, an established monument.
 - Used by early English settlers, reason for weird shapes of the original colonies.
- Directions are bearing angles measured with respect to a previous line in the survey.
