Go Ye . . . Norma K. Dunn, 2004-04 Taking your group on a short term mission trip may sound like a good idea It is but it needs to be done well to be effective life changing and to draw people to God So how do you do it well That s what this book is about Norma Dunn will outline for you details as well as major steps that are crucial to organizing a short term mission that will have a profound effect upon your team members as well as the people to whom you minister The many illustrations she uses from years of experience make this a readable as well as informative book This book will challenge anyone wanting to lead a short term mission trip to do it with excellence At the same time it provides the design to make this excellence attainable Jean Cooper Carey Author and Friend This is a book that should be on the bookshelf of every Christian School Administrator I wish it had been available to me during my eighteen years as an administrator It is a must read for anyone who is considering organizing a short term mission Ferrin Kilby Ph D National Director of Student Recruitment and Field Operations Lesley University [A Guide to Short-Term Missions](#) H. Leon Greene, 2012-09-27 Everything you need to know to plan a successful short term missions trip from an authoritative source Packed with comprehensive down to earth practical information **Scripture baptism, a short answer to Baptist objections to the common practice** Alexander Brown (of Aberdeen.), 1892 [Missions](#) Howard Benjamin Grose, 1923 **Destination Holiness** Christie Loney, 2010-07-30 Destination Holiness invites you on a journey Each week provides a theme that is developed each day along with scriptures and stories that encourage the reader to consider their own lifes journey There are Challenges and Love Notes from the author and all along the way a sense that it was written as a personal letter just for you Indeed it was as the author and finisher of our faith journey toward holiness is Jesus Christ and this book is truly His inspiration **The Chronicle of the London Missionary Society** , 1894 **The Medical Missionary** , 1898 [TRANSFORMED ON THE MOUNTAIN](#) Marcella Reid Figueroa, 2024-08-21 Scripture note 1 C Corinthians 12 12 31 Scripture note 1 C Corinthians 12 12 31 Tension is a term musicians often use to describe the condition of the strings on instruments like the violin the cello the harp or the guitar Musicians know that the tone or pitch produced by the instrument is greatly affected by the tension of the strings carrying the sound The outcome of good tension is good sounding music while bad tension produces sour flat or sharp sounds that are unpleasant to listen to There is good tension and bad tension in church as well One task of effective leadership is to discern good and bad tension within the church The outcome of good tension is success in achieving the goals and objectives of the ministry Bad tension can result in chaos complexity confusion and contradiction Bad tension freezes a ministry in time with no productive movement no common ground no unity and an endless array of activity spiraling into uselessness When each member of the church discovers his her own God given abilities to express love for God through the service of humankind the result is not unlike a symphony of diverse instruments chords and sounds all making a joyful sound in peaceful coexistence Bad tension creates a stench in God s nostrils It is the task of every Christian to embark upon a journey of discovery that

ends in a God given ministry niche or place of service God calls every Christian to God's own hands to be broken, melted, molded, filled, and used to the glory of God. Leaders are part of the solution and not part of the problem. How does a vibrant and healthy congregation balance the need for stable leadership with the need for change? How do changes within a ministry impact relationship within the church? What effect does systemic change have on the entire church body? What is the role of leadership in church relations? What is a creative tension dynamic? Leaders today must learn constructive interventions that interrupt malevolent cycles of destructive behaviors in order to balance the tension between resistance and acceptance in a way that empowers ministry and inspires growth.
