Great Escaper:

World's Greatest True Crime, 2004 Stalag Luft III Charles Messenger, 2019-03-30 In early 1942 the Third Reich opened a maximum security prisoner of war camp in Lower Silesia for captured Allied airmen Called Stalag Luft III the camp soon came to contain some of the most inventive escapers ever known The escapers were led by Squadron Leader Roger Bushell codenamed Big X In March 1944 Bushell masterminded an attempt to smuggle hundreds of POWs down a tunnel built right under the noses of their guards In fact 76 Allied airmen clambered into the tunnel and only three made successful escapes This remarkable breakout would be immortalized in the famous Hollywood film *The Great Escape* in which the bravery of the men was rightly celebrated Behind the scenes photographs from the film are included in this definitive pictorial work on the most famous POW camp of World War II *A True Story of the Great Escape* Louise Williams, 2015-08-26 Shot down in 1942 young Australian fighter pilot John Williams DFC became a POW in the notorious Stalag Luft III camp in Germany John had joined the air force shortly before the outbreak of war and in the larrikin tradition led his squadron into air combat over the deserts of Libya and Egypt dressed in sandals and shorts John and his best mate Rusty Kierath were among the 76 POWs who tunnelled their way out of the supposedly escape proof camp under the noses of their German guards in what later became the Hollywood blockbuster *The Great Escape* Their families never learned what really happened once the pair made it out into the forest John s niece Louise Williams has pieced together his life from his upbringing in a tight knit family hit hard by the Depression to his exploits in the air and the many missing details of the tragic escape It is a powerful and intimate story of one of the most dramatic episodes of World War II A riveting tale superbly told Peter FitzSimons author and journalist A brilliant achievement Louise Williams reminds us that the story of the Great Escape should not be owned by Hollywood but rather by the families of those who made the greatest sacrifice Guy Walters author of *The Real Great Escape* Written in Blood Colin Wilson, 2015-05-19 Extraordinary accounts of forensic crime detection from poisoners in ancient Rome to modern day serial killers by the bestselling author of *The Outsider* In 44 BC a Roman doctor named Antistius performed the first autopsy recorded in history on the corpse of murder victim Julius Caesar However not until the nineteenth century did the systematic application of scientific knowledge to crime detection seriously begin so that the tiniest scrap of evidence might yield astonishing results like the single horsehair that betrayed the murderer in New York s 1936 puzzling and sensational Nancy Titterton case Many such dramatic tales appear in this updated edition of the most gripping catalog of crimes by acclaimed criminologist Colin Wilson The book follows the progress of forensic science from the first cases of suspected arsenic poisoning right up to investigations using an impressive armory of high tech methods ballistic analysis blood typing voice printing textile analysis psychological profiling and genetic fingerprinting Colin Wilson has made himself the Philosopher King of forensic speculation the Diderot of the path labs *The Times Literary Supplement* Will enthral connoisseurs of violent crime *The Glasgow Herald* *The Big Break* Stephen Dando-Collins, 2017-01-10 Oflag 64 a World

War II prisoner of war POW camp based in Schubin Poland was speculated to be one of the only POW camps set up exclusively for U S Army ground component officers About 150 American officers lived in the camp in 1943 and by 1945 that number had expanded to 1 500 When the German commandant Colonel Fritz Schneider received orders to march all of his prisoners to west Germany to escape the Russians in January 1945 that number declined rapidly as the American officers put into place long existing escape plans that would make history In *The Big Break* we follow famous POWs such as General Eisenhower s personal aide General Patton s son in law and Ernest Hemingway s eldest son as the first American escapes via a tunnel in a stinking latrine with almost 250 US officers following closely behind in a mass break The Schubin escapes are by far the largest Allied POW escape of the second World War surpassing even *The Great Escape* of 1944 Historian Stephen Dando Collins chronicles the gripping story of irrepressible Americans determined to be free brave Poles risking their lives to help them and dogmatic Nazis determined to stop them *Peterhead* Robert Jeffrey,2013-09-24 Robert Jeffrey author of the bestselling *Barlinnie Story* and other true crime books now tells the remarkable story of the infamous Peterhead Prison in Scotland s far north east Built in the 1880s as part of an ambitious humanitarian plan to use convict labour to construct a harbour of refuge on the town s wild storm battered coast it became what some call Scotland s gulag A cold and brutal place it has held down the years some of Scotland s most violent criminals and most infamous prisoners convicted of the most heinous of crimes In the early days convicts were controlled by men as hard as their charges The wardens carried swords and were quick to use them if necessary And when convict labour was used to build the harbour they worked with rifles trained on them at all times Peterhead s wardens were clearly not to be crossed Throughout the history of the prison riots and breakouts have made headlines with the SAS involved in restoring order at one point Peterhead also had the reputation of being so secure that escape was impossible with the notable exception of Johnny Ramensky the safeblower turned war hero who went back to his criminal ways and spent more than forty years of his life in prison many of them in Peterhead He became the first inmate to escape and repeated the exercise four more times often for his own satisfaction and amusement each time being recaptured after a short taste of freedom Peterhead Scotland s Toughest Prison tells the remarkable inside story of a truly grim institution with a fearsome reputation *Hack* John Burns,2016-05-19 There were two splashes in London that night the first was a body dropping into the Thames with a bullet hole in its head and the second was tabloid crime hack Max Chard s exclusive story on the killing But murder is only half the yarn Meet the lovable alcohol soaked womanising rogue Max Chard in this terrific expose of the world of tabloid journalism *Best and Bravest [Revised Ed]* Glyn Harper,Colin Richardson,2016-08-01 The incredible stories of the New Zealanders who have been awarded the Victoria Cross for courage under fire from WWI to the war in Afghanistan Here are the stories of the 27 men who won the Victoria Cross in both world wars and in Afghanistan in the 21st century fighting heroes who risked their own lives to save their fellow men or change the course of a military action All three services are represented here and the stirring stories of wing walkers daring
