Game Of Three Halves:

Game Of Three Halves Brian Beard,2012-12-20 A Game Of Three Halves is the official biography of Kenny Swain It tells the tale of the man who quit teaching to sign for Chelsea the glamour club of the 1970s and then moved on to Aston Villa where having converted from striker to a full back role he played his part in winning the First Division championship and the European Cup Next Kenny was signed by Brian Clough at Nottingham Forest and he now paints an evocative personal picture of the most charismatic and controversial manager in English football history Portsmouth and Crewe were the last clubs to figure in an illustrious career that saw him play more than 100 games for five different clubs Today Kenny works in the England set up heading up the FA s talent ID programme and has helped develop players such as Michael Owen Joe Cole and Danny Welbeck

A Game of Three Halves Dennis Shaw,2014-12-04 The word unique is often wrongly used but in the case of A Game of THREE Halves the author s story is indisputably one of a kind No other writer has worked on the inside for both Aston Villa and Birmingham City while keeping an eye on local and national footballing affairs for more than seventy years During that period he met and sometimes worked with many of the best known personalities in world football from Pele to Cruyff Busby to Ferguson Matthews to Cullis Wright to Banks Hill to Coleman Saunders to Atkinson Best to Francis and many more From war time football to the present day across eight decades football has changed so much that not even the ball apart from still being spherical is the same as before The fight to remove the maximum wage the initially steady and ultimately explosive growth in pay the arrival and development of European football the curse of the hooligan the introduction of the Premier League A flavour of these developments can be found in these pages This is not an anorak s football history but a lively collection of real life anecdotal memories laced with controversial personal comment The object of the exercise is simply to be a good read while hopefully introducing a touch of football and social history Here can be found such unlikely characters as an armed robber an exorcist some terrified sky divers half a moustache that went missing a factual hangover Biggles and a shoot to kill former iron curtain guard This is a look at football like no other
