Prenatal Assessment of Multiple Pregnancy Isaac Blickstein, Louis G. Keith, 2018-04-17 Following on from the success of their previous standard textbook on Multiple Pregnancy the authors have refocused their attention on prenatal assessment in multiple pregnancy and come up with condensed and revised material in a free standing text Multiple pregnancies are associated with higher levels of morbidity and fetal distress and so effective and rapid diagnosis of problems is paramount Those clinicians who would not have a practical application for all the aspects covered comprehensively in the earlier work will find this volume a clinically orientated and extremely useful addition to their working library
