Generations A Historical Method:

Generations Julián Marías,1970 Choice This volume contains not only the significant correspondence between Eugen Rosenstock Huesy *Generations* Julián Marías Aguilera,1970 *Generations* Julián Marías,1967 **Generations** Julián Marías,1970 **A Watch Over Mortality** Harold C. Raley,1997-01-01 An in depth study of the thought of contemporary Spanish philosopher Julian Marias in the context of Ortega y Gasset and his times and twentieth century Spanish culture

El Metodo Histórico de Las Generaciones. Generations. A Historical Method ... Translated by Harold C. Raley Julián Marías,1970 Handbook of Bowen Family Systems Theory and Research Methods Mignonette N. Keller,Robert J. Noone,2019-12-18 The Handbook of Bowen Family Systems Theory and Research Methods presents innovative approaches on a range of issues inherent in family research and discusses the links between theory data collection and data analysis based on Bowen family systems theory This multi authored volume discusses core issues within family systems theory including anxiety stress emotional cutoff differentiation of self multigenerational transmission process and nuclear family emotional process Chapters also examine related constructs in the research literature such as adaptation resilience social support social networks and intergenerational family relations Readers will be able to view theoretical and methodological issues from the perspective of Bowen theory and develop a clearer knowledge of ways to navigate the challenges faced when studying individual familial and societal problems An essential resource for clinicians and researchers in the social and natural sciences the Handbook of Bowen Family Systems Theory and Research Methods provides a comprehensive framework for understanding the application of Bowen theory to family practice and family research **Conflicted Pasts and National Identities** Michael Böss,2014-05-22 War and conflicts have always played a significant role in defining national identities often with reference to events that happened centuries ago The role of passing on collective memories of these types of events has become even more complex in a globalizing world where new configurations of cosmopolitan memories challenge more locally and nationally based memories The many aspects of societies remembering and forgetting call for interdisciplinary studies *Conflicted Pasts and National Identities* Narratives of War and Conflict reflects this effort With reference to current theories of cultural memory it explores how memories of war and conflict are passed on from generation to generation how these complex processes have transformed and shaped collective identities and how they still inform national conversations *Oral History and Australian Generations* Katie Holmes,Alistair Thomson,2018-10-11 From 2011 to 2014 the Australian Generations Oral History Project recorded 300 interviews with Australians born between 1920 and 1989 The contributions to this book a result of this project reflect on the practice of oral history and how interviews can illuminate Australian social and cultural history Three of the chapters consider oral history innovations focusing on the potential for oral history in a digital age the pioneering technologies that underpinned Australian Generations and the ethical issues posed by online digital oral history and the challenges and opportunities for radio oral history In addition four chapters

demonstrate how oral history interviews can be used as rich evidence for historical research examining the interconnections between class social equity and higher education in post war Australia how life histories can transform understandings of mental ill health considering how oral history interviews with Australians of all ages confound stereotypical notions about generations and investigating the ways in which family relationships mediate identities and how remembered places and objects provide points of anchor in a rapidly changing world This book was originally published as a special issue of Australian Historical Studies Bodies of Evidence Nan Alamilla Boyd, Horacio N. Roque Ramirez, 2012-02-06 Bodies of Evidence The Practice of Queer Oral History is the first book to provide serious scholarly insight into the methodological practices that shape lesbian gay bisexual transgender and queer oral histories Each of the fourteen chapters pairs an oral history excerpt with an original essay in which the oral historian addresses his or her methods and practices
