Globalisation Of Crime Understanding Transitional Relationships In Context:

The Globalisation of Crime Mark Findlay, 2000-05-04 On a contracting world stage crime is a major player in globalization and is as much a feature of the emergent globalized culture as are other forms of consumerism The Globalization of Crime charts crime's evolution It analyses how globalization has enhanced material crime relationships such that they must be understood on the same terms as any other significant market force Trends in criminalization crime and social development crime and social control the political economy of crime and crime in transitional cultures are all examined in order to understand the role of crime as an agent of social change and present an integrated theory of crime and social context This was the first book to challenge existing analyses of crime in the context of global transition and show that crime is as much a force for globalization as globalization is a force for crime

Global Injustice and Crime Control Wendy Laverick, 2016-02-12 Global Injustice and Crime Control places cross border cross national and international crime and crime control within its wider context It examines theory from a range of disciplines and introduces students to the frequently neglected area of the world order and world politics in an effort to direct attention to the links between events power ideas institutions policies actions and counter actions at the international and domestic level In an increasingly interconnected and interdependent world the various dimensions of globalisation play a pivotal role in issues of crime and criminal justice in the 21st century This interdisciplinary textbook offers a critical treatment of the development and recent acceleration of national regional and international efforts at cross border crime control and law enforcement The book not only places cross national and international efforts by police courts regional and international agencies within their historical context but also focuses on elucidating leading theoretical perspectives from within globalisation literature criminology and international relations to shed light upon both sides of this phenomenon Areas covered include cross border crime and security state crime and corruption international responses to genocide terrorism and counter terrorism organised crime This book will be perfect reading for modules in transnational crime and justice and will be of interest to students in criminology policing public policy and international relations

International and Comparative Criminal Justice Mark Findlay, 2013-06-19 International criminal justice is in transition This book explores the growing internationalisation of criminal justice as a phenomenon of global governance It provides students with a critical understanding of the international institutions for regulating transnational crime the development of alternative justice processes across the globe and international and supra national co operation criminal justice policies and practices Key topics covered include The historical development of International Criminal Justice institutions and traditions International Restorative Justice Victim communities and collaborative justice The relationship between crime and war International Human Rights The War on Terror The globalisation of crime and control Developments in global governance communitarian justice and accountability This text will familiarize students with the literature and debates surrounding international criminal justice and enable them to critically appreciate their theoretical

and policy context In doing so it encourages students to assess the strengths and weaknesses of different approaches to the study of global justice and the analysis of comparative policy convergence and research It will also help students to reflect on and communicate in an informed and critical way theoretical accounts and empirical studies within the field of international criminal justice This book will be essential reading for upper level undergraduates taking courses in criminal law international relations and governance and postgraduates engaged in international criminal justice international law regulation and governance and human rights *Jurisprudence for an Interconnected Globe* Catherine Dauvergne, 2018-04-27 This title was first published in 2003 This book explores the interaction of globalization and the development of law The framework of the book is established by William Twining who asks how legal concepts can be generalised within a variety of legal orders This theme is taken up by a group of leading Australian scholars who produce essays on international economic law including financial regulation and human rights and citizenship migration and crime under the headings Globalization and the Laws of Money Globalization and the Laws of People Globalization Cultures and Comparisons This collection marks an important step towards the construction of a jurisprudence for a connected but still culturally diverse globe Transnational and Comparative Criminology James Sheptycki, Ali Wardak, 2012-09-10 This book examines the issues of crime and its control in the twenty first century an era of human history where people live in an increasingly interconnected and interdependent world providing invaluable and first hand readings for undergraduate and postgraduate students **Indigenous Criminology** Chris Cunneen, Juan Tauri, 2016-07-27 Indigenous Criminology is the first book to comprehensively explore Indigenous people's contact with criminal justice systems in a contemporary and historical context Drawing on comparative Indigenous material from North America Australia and Aotearoa New Zealand it addresses both the theoretical underpinnings to the development of a specific Indigenous criminology and canvasses the broader policy and practice implications for criminal justice Written by leading criminologists specialising in Indigenous justice issues the book argues for the importance of Indigenous knowledges and methodologies to criminology and suggests that colonialism needs to be a fundamental concept to criminology in order to understand contemporary problems such as deaths in custody high imprisonment rates police brutality and the high levels of violence in some Indigenous communities Prioritising the voices of Indigenous peoples the work will make a significant contribution to the development of a decolonising criminology and will be of wide interest International Criminal Justice Review, 2002 **The Asian Journal of Public Administration**, 2002 Sociology, 1999 **Restorative Justice** Eugene McLaughlin, 2003-06-02 Restorative Justice brings together key international writings that trace the development of restorative justice from its diverse beginnings to current global policies and practices **Current Law Index**, 2007 **Canadian Journal of Criminology**, 1998 Police Science Perspectives Francisco del Barrio Romero, 2009 Due to developments in crime public disorder and society in general police forces across Europe are increasingly confronted with cross border cases As a result the need for police cooperation

intensifies and more and more police practice is based on scientific knowledge CEPOL asked a group of experts from six European countries to reflect on these developments Why do senior police officers need research and science What kind of scientific knowledge fits their professional framework How do they make use of it The report including expert commentaries ventures to provide some answers by exploring key questions and aims to open a further discussion about modern day police science and potential paths towards a European approach

The Wired World James Dearnley, John Feather, 2001 The term information society has been well used primarily as a buzzword for technological advances in computing and telecommunications and the widespread uptake of digital technology The concept of an information society has been developed and promoted by academic theorists governments and popular authors since the 1960s This reference book brings together the disparate theoretical historical and practical ideas underpinning the information society It aims to provide the student with a cohesive and easy to read overview of the topic serve as a starting point from which to explore the subject in greater depth and to offer the practitioner a practical reference tool The volume takes the form of a broad based annotated bibliography which aims to interlink theory historic antecedents and modern day practicalities The areas of activity covered include theoreticians such as Bell Ellul and Webster practitioners such as Masuda Machlup and Porat practical initiatives undertaken by government in particular the EU s programmes to promote an information society and joining the information society and the problems of exclusion from it

Crime in the City Lesley Williams Reid, 2003 By exploring the political and economic histories of Atlanta Boston Detroit and New Orleans the author documents how each city experienced the demise of the industrial welfare state political economy and the rise of the post industrial absentee state political economy and how these transformations have affected urban crime rates In addition those cities emphasizing criminal justice expenditures at the expense of social welfare expenditures have had more crime than those cities that did not Political and economic conditions have influenced crime rates in sometimes surprising ways across the post World War II urban landscape
