## **Executives Guide To Winning Presentations:**

**The Executive's Guide to Winning Presentations** Herman Holtz, 1991-04-02 Executives and senior managers are frequently called upon to make presentations. It can be a very important function of their work and yet most executives have no training whatsoever in making presentations. Herman Holtz, an author of many business professional how-to books, now shows executives how to give presentations like pros and sell their messages in any situation. It offers tips, techniques, and discusses choosing the type of presentation that will work best for you. Some of the specific presentation skills and enhancements that are covered include the use of audio-visual aids, the most suitable presentation language for a particular situation, getting the message across, image making, the use of humor, and more.

**Executive's Guide to Personal Security** David A. Katz, Ilan Caspi, 2020-01-15 The proven safety tips and techniques for corporate executives, revised and updated. The revised and updated second edition of *Executive's Guide to Personal Security 2nd Edition* offers a strategic handbook for ensuring safety for executives, their employees, and their corporate assets. The book's lessons outline the basic rules of personal security; it shows how to recognize and prepare for the real threats faced by executives and ordinary individuals in today's often hostile world. It is filled with the necessary knowledge that can empower executives to face these threats and deal with them successfully. The methods outlined herein, formerly reserved for security professionals and government employees, are made available to the reader. *Executive's Guide to Personal Security* will teach you situational awareness, which allows you to identify potential dangers before they become serious threats. You will learn how to analyze risks, prepare for emergencies, travel safely, and utilize counter-surveillance techniques to enable you to recognize if you are being followed or targeted. You will gain an understanding of the threats to both personal safety and corporate assets and understand how to implement the appropriate countermeasures to deal with those perceived threats. With *Executive's Guide to Personal Security*, you can learn to take necessary actions to reduce your chances of becoming a target and discover how to make yourself less vulnerable. Written by two seasoned security experts, the lessons presented can be used by those in the business world as well as anyone who would like to feel more secure, including those traveling to foreign countries and individuals studying abroad. New to the second edition is information for responding to an active shooter incident, enhanced details for protecting IP and computers and smart phones, strategies for planning for emergencies at home and the office, approaches to safety that meet the challenges of today's world. *Executive's Guide to Personal Security 2nd Edition* is the comprehensive book that contains information on physical security, principles of route selection, technical security systems, hostage situations, emergency planning, hotel and room selection, armored products, communications, bomb threats, evacuations, and local criminal hazards.
