Exodus Chapters 19 40:

Exodus 19-40 William Henry Propp, 2006 The long awaited conclusion of William H C Propp s masterful study of Exodus this informative clearly written commentary provides a new perspective on Israelite culture and on the role of ritual law and covenant in biblical religion Exodus 19 40 sets a new standard in biblical scholarship Thorough and up to date it is the first commentary on Exodus to include critical textual evidence from the recently edited Dead Sea Scrolls Informed by Propp s deep understanding of ancient cultural mores and religious traditions it casts new light on the Israelites arrival at Sinai their entry into a covenant with God their reception of the Law their worship of the golden calf and their reconciliation to God The incisive commentary on the building of the Holy Tabernacle God s wilderness abode is supplemented by numerous illustrations that clarify the biblical text Propp extends the scope and relevance of this major work in five appendices that discuss the literary formation of the Torah the historicity of the Exodus tradition the origins of Israelite monotheism the Exodus theme in the Bible and the future of Old Testament scholarship By taking an anthropological rather than strictly theological approach Propp places familiar stories within a fresh context The result is a fully accessible guide to one of the most important and best known books of the Bible **Thru the Bible Vol. 05: The Law (Exodus 19-40)** J Vernon McGee, 1995-03-15 Enjoy J Vernon McGee s personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight A great choice for pastors the average Bible reader and students A Study Commentary on Exodus John D. Currid, 2001 EP Study Commentaries have been described as sufficiently scholarly to give them credence in the academic world but at the same time sufficiently straightforward to make them accessible to any serious student of the Bible Banner of Truth Provided by publisher **Women's Bible Commentary** Carol Ann Newsom, Sharon H. Ringe, Jacqueline E. Lapsley, 2012-01-01 A twentieth anniversary edition with brand new or thoroughly revised essays that reflect newer thinking in feminist interpretation and hermeneutics **Women's Bible Commentary, Third Edition** Carol A. Newsom, Sharon H. Ringe, Jacqueline E. Lapsley, 2012-09-28 The Women s Bible Commentary is a trusted classic resource for biblical scholarship written by some of the best feminist scholars in the field today This twentieth anniversary edition features brand new or thoroughly revised essays to reflect newer thinking in feminist interpretation and hermeneutics It comprises commentaries on every book of the Bible including the apocryphal books essays on the reception history of women in the Bible and essays on feminist critical method The contributors raise important questions and explore the implications of how women and other marginalized people are portrayed in biblical texts looking specifically at gender roles sexuality political power and family life while challenging long held assumptions This commentary brings modern critical methods to bear on the history sociology anthropology and literature of the relevant time periods to illuminate the context of these biblical portrayals and challenges readers to new understandings **Notes, Critical and Practical, on the Book of Exodus** George Bush, 1871 *Old Testament Studies* Prince Emanuel

Burroughs,1915 *The Descent from the Mountain* Martin Ravndal Hauge,2001-04-01 This close reading of Exodus 19 40 focuses on the repetition of the encounter on the mountain This double encounter is expressed in a narrative structure of preparatory episodes climaxed by the theophany The tension of the narrative is linked to the people as the unlikely heroes of encounter and solved by the divine descent from the divine mountain to the man made tent The new situation of permanent encounter is foregrounded by the juxtaposed stories of pre and post Sinai journey and the theme of the substitution of Moses underlines a radical reinterpretation of traditional concepts inviting the reader to embark on a process of identification

Reward, Punishment, and Forgiveness Joze Krasovec,2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world *The New American Bible* Brian Singer-Towns,2005 Features include youth friendly introductions to all the books of the Bible and the Bible s main sections youth oriented guides to interpreting studying and praying the Bible and a reading plan with the Sunday readings for the seasons of Advent Christmas Lent and Easter *Bible History* Theodore Emanuel Schmauk,General Council of the Evangelical Lutheran Church in North America. Sunday-school Committee,1910 Scribes and Translators Natalio Fernández Marcos,1993 This volume based on recently published Old Latin material provides fascinating information and discussion on the textual pluralism attested by the Hebrew texts and versions of the books of Kings an intriguing page in the history of the biblical texts **The Death of Jacob** Kerry Dwaine Lee,2015-10-20 In The Death of Jacob Narrative Conventions in Genesis 47 28 50 26 Kerry Lee investigates the deathbed story of the patriarch Jacob and uncovers the presence of a variety of conventional structures underlying its composition especially a conventional deathbed story or type scene also found in numerous other texts in the Hebrew Bible and non canonical Jewish literature Finding fault both with traditional diachronic approaches as well as more recent synchronic studies Lee uses an eclectic but coherent blend of contemporary methods drawn from narratology linguistics ritual theory legal theory assyriology and other disciplines to show that despite its probably composite pre history the last three chapters of Genesis have been intentionally and artfully structured by the hand predominately responsible for their final form **The Torah Anthology: Exodus VII, Sin and reconciliation** ,1991 **Bible History** General Council of the Evangelical Lutheran Church in North America,1902 **The**
