Through immediate escaping abroad they could save themselves. The civic project The VORDTRIEDE HOUSE Freiburg would like to remind kindly. Since 2002 the initiator lives with her family in the former dwelling house on Fichte Street 4. In 2015 the private initiative won a City Award for Civic Engagement. These events may never recur, neither here in Freiburg nor somewhere else in the world.

Lion Feuchtwanger: German editions John M. Spalek, Sandra H. Hawrylchak, 1998. Lion Feuchtwanger's works appeared under the imprint of over thirty different publishers, not including book club editions and publishers of stage manuscripts. This bibliography is the first comprehensive documentation of Feuchtwanger's writings. Beginning with the earliest publications in 1905, it sets out the entire history of Feuchtwanger publications right up to the present day. The most important source was the Lion Feuchtwanger Memorial Library in Los Angeles. The first two volumes contain the primary literature; the third and fourth volumes cover the secondary literature. With the publication of the third and fourth volumes, the bibliographic handbook is complete: the full extent of Feuchtwanger's international reception and the whole palette of adaptations for film, television, and stage are now evident and bibliographically accessible for the first time.

Exile and Gender I, 2016-04-08. This new volume in the series Yearbook of the Research Centre for German and Austrian Exile Studies, entitled *Exile and Gender Literature and the Press*, edited by Charmian Brinson and Andrea Hammel, focuses on the work of exiled women writers and journalists, as well as on gendered representations in the writing of both male and female exiled writers. The contributions are in English or German. The seventeen contributions set out to both celebrate and critically examine the concepts of gender and sexuality in exile in a wide range of texts by well-known and lesser-known authors and throw light on many different aspects of gendered authorship and gendered relations. Our volume also looks at two bibliographic rarities: exile newspapers intended for and directed at a female readership.
