Expectant Faith:

Expectant Faith Heather Barrett,2018-07-14 Prayer is vital to living a Christian life For years we ve been blinded by the enemy s lies about what we can and cannot pray for This book will take you on a scriptural journey to expose the deceit that has ensnared Christians and kept them from living the lives God intended them to live We will seek out the evidence that proves God wants His children to pray big prayers and that He will answer them When your prayer life changes every area of your life will exponentially change with it Religion might tell you what you are allowed to pray but God puts no limits on the prayers of His people He wants you to trust Him with your heart s desires Above all it is His will for you to be blessed and reap a bountiful harvest If you re unsure how to pray big prayers or if it s really what we re supposed to do come along on this journey and see what God Himself has to say

One Gospel Nathan N. Hoff,2023-12-18 Is faith in Messiah necessary to the content of saving faith in the Old Testament as it is in the New While the dispensational tradition has been clear that salvation in every age includes a common object God a common basis Christ s death and a common requirement faith it has not always agreed on the content of saving faith across the testaments Written within the dispensational tradition One Gospel seeks to advance the discussion by looking at Paul s use of the Abraham story in Romans 4 This work contends there is continuity between the Old Testament and the New as illustrated by Abraham and Paul The content of saving faith must always include faith in Messiah who in the progress of revelation is identified as Jesus Christ

Reflections on Faith and Prayer Joseph Carroll,2013-06-03 FAITH IS STRENGTHENED NOT BY STRIVING AFTER IT BUT BY LEARNING TO REST IN THE FAITHFUL ONE What is the essence of faith What common obstacles challenge faith THE PLACE YOU GIVE PRAYER IN YOUR LIFE IS THE PLACE YOU GIVE JESUS CHRIST Why are we commanded to pray What rewards flow from worship praise thanksgiving and petitions These devotional selections come from Mr Carroll s preaching and teaching materials We hope the Lord will use these daily readings to strengthen challenge and develop your Christian walk

Theological Philosophy Lydia Schumacher,2016-02-17 For much of the modern period theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God Drawing on the thought of Thomas Aquinas Theological Philosophy seeks to overturn the longstanding problem of proving faith s rationality and to establish instead that rationality requires to be explained by appeals to faith Building on a constructive argument developed in a companion book *Rationality as Virtue* Lydia Schumacher advances the conclusion that belief in the God of Christian faith provides an exceptionally robust rationale for rationality and is as such intrinsically rational At the same time Schumacher overcomes a common tendency to separate spiritual from ordinary life and construes the latter as the locus of proof for the rationality of Christian faith

Rationality as Virtue Lydia Schumacher,2016-03-03 For much of the modern period theologians and philosophers of religion have struggled with the problem of proving that it is rational to believe in God Drawing on the thought of Thomas Aquinas this book lays the foundation for an innovative effort to

overturn the longstanding problem of proving faith's rationality and to establish instead that rationality requires to be explained by appeals to faith. To this end Schumacher advances the constructive argument that rationality is not only an epistemological question concerning the soundness of human thoughts which she defines in terms of intellectual virtue. Ultimately it is an ethical question whether knowledge is used in ways that promote an individual's own flourishing and that of others. That is to say rationality in its paradigmatic form is a matter of moral virtue which should nonetheless entail intellectual virtue. This conclusion sets the stage for Schumacher's argument in a companion book *Theological Philosophy* which explains how Christian faith provides an exceptionally robust rationale for rationality so construed and is intrinsically rational in that sense.

Expectant Faith Pat Collins, 1998. This book is about the charisma of faith, the faith to move mountains as it is referred to in the gospels. Pat Collins indicates how this charisma mentioned in 1 Cor 12:9 and elsewhere in the New Testament is different from other forms of trust. *The Gospel in Action* Arthur Foley Winnington Ingram, 1906.

Don't Stop Praying and Matthew West's Principles William Hartley, 2026-02-06. Prayer is easy to talk about when life is going well. It is much harder to hold onto when answers feel delayed, when faith feels tired, or when silence stretches longer than expected. *Don't Stop Praying* is written for those real moments, the moments when you want to believe but you are weary. When you keep praying but wonder if it still matters. When you know prayer is important yet struggle to stay consistent. Inspired by the heart and message behind Matthew West's *Don't Stop Praying*, this book is not about perfect prayers or spiritual formulas. It is about relationship. It is about learning how prayer carries you through every season of life, not just the dramatic ones. Through honest reflection, biblical insight, and deeply human encouragement, this book invites you to see prayer not as a performance but as an ongoing conversation with a faithful and loving God. Across twenty thoughtfully crafted chapters, you will explore what it means to pray when prayer feels difficult. You will learn how prayer sustains faith during silence, strengthens you during spiritual battles, and reshapes your heart long before it changes your circumstances. From praying through fear, loss, waiting, and redirection to learning how worship, obedience, and everyday faith become forms of prayer, this book meets you where you are and walks with you forward. *Don't Stop Praying* also speaks to the long journey of faith. It shows how prayer grows beyond crisis moments into a daily rhythm, how it becomes a source of strength when life changes direction, and how it forms a legacy that can be passed on to the next generation. It reminds you that prayer is not reserved for the strong, the confident, or the spiritually polished. It is for the tired, the uncertain, the returning, and the hopeful. This is a book for anyone who has ever wondered if their prayers still matter. For anyone waiting on God and struggling to trust His timing. For anyone who wants a deeper, more honest prayer life rooted in grace rather than guilt. You will not find quick fixes or shallow encouragement here. What you will find is reassurance, perspective, and hope. You will be reminded that prayer is not about saying the right words but about staying in the conversation. That persistence matters more than perfection. And that even when you feel weak, God has not stopped listening. If you are longing for a faith that endures, a hope

that survives every season and a prayer life that feels real and sustaining this book is an invitation to keep going No matter where you are in your journey one truth remains God hears every prayer And the invitation still stands Don t stop praying
