deliverance which is the casting out of demons has been largely ignored by the Church in many parts of the world
 Evangelism especially in the West has been practiced as if demons did not exist 4 The ministry of deliverance has been a
 constant part of my life for more than thirty years I have helped countless people who have been demonized and I have never
 found any of it to be inaccurate or misleading **Mark's Story of Jesus** Dewey Mulholland,1999-05-26 A missionary
 scholar who has been studying and teaching the Gospel of Mark for over forty years Dr Mulholland is an insightful expounder
 of its message guiding us through this account of Jesus the mighty miracle worker who is the Messiah of all nations Informed
 by the best of academic research Mulholland s lucid and detailed study will prove eye opening as well as soul challenging for
 its readers Dr Vernon C Grounds Chancellor Denver Seminary During his many years of work as a missionary in Brazil the
 Rev Dewey Mulholland was enabled to strengthen the church there in a most strategic way In the seminary he helped found
 in Brasilia the capital he made the inductive study of the Bible in Portuguese central for the training of Christian workers He
 wanted to teach people how to study the Bible for themselves No boring sermons and Bible lessons from these graduates
 Studying the Bible the way Mulholland taught them they keep coming up with new exciting insights into the inspired
 meanings of the Bible Learning to comprehend the biblical text for themselves his students often opened Mulholland s eyes
 to vital insights into the Marcan meaning This English version of his Marcan commentary makes this accumulation of insights
 available to us in the Euro American world Seeing the significance that Mark has for people in Latin America helps us to be
 more enlightened world Christians Dr Daniel P Fuller Senior Professor of Hermeneutics Fuller Theological Seminary The
 author skillfully combines Mark s emphasis upon Jesus as the Messiah whose Kingdom embraces people of all nations with
 his portrayal of the Servant who reigns through suffering This message is very relevant to the developing nations where
 many politicians and clergymen use their positions to dominate I recommend this commentary for it enlarges our
 understanding of the Messiah and calls upon us to fulfill the task Jesus has delegated to us Edouard Kitoko Nsiku Ph D
