Nebraska Golf Stu Pospisil,2021-06-15 The history of golf in the United States traces back almost unbelievably to a six hole round in 1887 on a remote course in Nebraska It took until 1895 for the sport to make its way to Omaha Once it did the game gained popularity on courses carved from pasture and timber land by some of the greatest names in U S golf Legends like Johnny Goodman the last amateur to win the U S Open are part of Nebraska s golf legacy But what changed the scope of golf in the state and the country was Sand Hills Golf Club in 1995 Omaha World Herald sportswriter Stu Pospisil chronicles Sand Hills and the state s other courses old and new along with the people behind them who have made Nebraska a national caliber destination for one of the greatest games on earth [100 Things to Do in the Nebraska Sandhills Before You Die](#)

longer phase in one's life Grandparenting is becoming its own life stage where new rituals exclusive to grandparents are emerging Newer technologies such as Skype Google Hangout and FaceTime allow grandparents who are far away to establish relationships with their children Many grandparents also use social media and blogs to chronicle their experiences Some grandparents have turned their grandparent lifestyle into a business The representation of grandparenting in popular culture is shifting as well Grandparents are becoming their own figures on television and film programs including reality shows Others have been thrust into the public eye across social media Marketers have realized the power of this new consumer subgroup and have begun to direct marketing campaigns to grandparents Yet despite the pervasive images of grandparents some of which present empowered figures grandparent representation in popular media continues to mimic many of the stereotypes commonly associated with aging encouraging people to laugh at versus laugh with these figures
