*The South African's Guide to Global Investing* David A. Joshua, 2019-08-13

Most South Africans fail to reap the benefits of investing internationally. This book gives you the power to harness global growth and provides the blueprint used by the world's best investors to preserve and grow their wealth. Drawing from a career providing international investment solutions to global clients, David A. Joshua identifies common mistakes made by individual investors and explains the key fundamentals that everyone can apply to take control of their financial destiny. This book provides the tools to understand why South Africans make sub-optimal investment decisions and how they can overcome their subjective biases. The power and necessity of investing with a global mindset. How to harness global growth to generate compounding Einstein's eighth wonder of the world. How and when you should exchange your rands for hard currency. How to align your life goals with a specific investment strategy. Why emotions are the enemy of investors and what strategies you can use to keep your decision making rational. For anyone wanting a clear understanding of how to invest successfully in global markets, this book is essential reading.

**Investing Online For Dummies** Kathleen Sindell, 2005-03-18

Everybody talks about it, how much you can save and earn when you start an online investment program. If you've decided you're ready to find out what all the excitement's about, you're in luck. *Investing Online For Dummies* has been completely revised and updated with the latest tools, Web site rule changes and tips that can make online investing easy and profitable. To be a successful online investor, you need to know your way around the Web and you also need to understand something about investments. *Investing Online For Dummies* can help you make sound financial decisions by:
