Gettysburg Magazine Issue 24:

Three Roads to Gettysburg Tim McGrath, 2025-11-18 An epic revelatory account of the Battle of Gettysburg where George Meade Lincoln's unexpected choice to lead the Union army defeated Robert E Lee and changed the course of the Civil War from the award winning author of *James Monroe A Life* By mid 1863 the Civil War with Northern victories in the West and Southern triumphs in the East seemed unwinnable for Abraham Lincoln Robert E Lee's bold thrust into Pennsylvania if successful could mean Southern independence In a desperate countermove Lincoln ordered George Gordon Meade a man hardly known and hardly known in his own army to take command of the Army of the Potomac and defeat Lee's seemingly invincible Army of Northern Virginia Just three days later the two great armies collided at a small town called Gettysburg The epic three day battle that followed proved to be the turning point in the war and provided Lincoln the perfect opportunity to give the defining speech of the war and a challenge to each generation of Americans to live by These men came from different parts of the country and very different upbringings Robert E Lee son of the aristocratic and slaveholding South George Gordon Meade raised in the industrious straitlaced North and Abraham Lincoln from the rowdy untamed West Lincoln's election to the presidency in 1860 split the country in two and triggered the Civil War Lee and Meade found themselves on opposite sides while Lincoln had the Sisyphean task of reuniting the country With a colorful supporting cast second to none *Three Roads to Gettysburg* tells the story of these consequential men this monumental battle and the immortal address that has come to define America

Brigades of Gettysburg Bradley M. Gottfried, 2012-02-12 Using a wealth of first hand accounts author Bradley M Gottfried pieces together each brigade's experience at Gettysburg Whether stories of forced marches weary troops or the bitter and tragic end of the battle you'll experience every angle of this epic battle Learn what happened when the guns stopped firing and the men were left with only boredom and dread of what was to come This collection is a lively and fascinating narrative that empowers the everyday men who fought furiously and died honorably Every detail of the Battle of Gettysburg is included in this comprehensive chronicle

Journey to Armageddon Kevin A. Campbell, 2021-10-26 The information about the book is not available as of this time

The Opening Battles Kevin Campbell, 2016-06-10 Author Kevin Campbell in this work examines in detail the swirling cavalry fight at Brandy Station He also gives a lucid well written account of the debacle that befell Robert H Milroy and his ill fated division at Winchester and Carters Woods Those battles bloody in their own right were soon relegated to the back pages when the horrific Battle of Gettysburg began dominating the press and the postwar reminiscences of the veterans We can learn much from this new work with its treasury of pertinent eyewitness accounts and clear prose His skill in digging through the regimental official records diaries and other materials is evident as well as his ability to interweave them into a cohesive narrative that brings the battles personalities and long hours of marching to light
