## Important OSHA Standards Contributing to Fewer Workplace Accidents

Standard 1910.132  
**Personal Protective Equipment:**  
Protective equipment, including clothing, helmets, goggles and other eye protection, must be used when process or environment presents hazards. Electrical safety equipment must be used where mechanical failures can cause deadly harm.

Standard 1910.119  
**Process Safety Management (PSM):**  
Put in place in 1992 to prevent a major uncontrolled release of a highly hazardous chemical, PSM was developed to prevent an incident that could result in death or serious injury, or significant property damage. PSM applies to 10,000 plants or other facilities that produce or use highly hazardous chemicals.

Standard 1910.147  
**Lock Out-Tag Out:**  
Prevents the unexpected energization or startup of machinery or equipment, or the release of hazardous energy during service or maintenance. The standard requires that the "lockout/tagout" procedure be used to control hazardous energy each time the equipment is serviced under OSHA.

**OSHA Inspections:**  
OSHA inspectors conduct workplace safety and health inspections to ensure that employers are complying with OSHA standards. Inspections are conducted with employers, employees, and other interested parties. OSHA inspectors are trained in the use of 286 OSHA standards, which are organized into 18 categories. OSHA inspectors are also trained in the use of OSHA's new e-Inspection system, which allows employers to report violations online.

Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
