Gerontius A Novel:

Gerontius James Hamilton-Paterson, 1989 In 1923 maakt de Engelse componist Edward Elgar een reis per schip over de Atlantische Oceaan naar het Amazonegebied Gerontius James Hamilton-Paterson, 1989 *The Dream of Gerontius* John Henry Newman, 1910 **The Dream of Gerontius** John Henry Newman, 2018-09-21 Reproduction of the original *The Dream of Gerontius* by John Henry Newman The Victorian Novel of Adulthood Rebecca Rainof, 2015-09-09 In *The Victorian Novel of Adulthood* Rebecca Rainof confronts the conventional deference accorded the bildungsroman as the ultimate plot model and quintessential expression of Victorian nation building The novel of maturity she contends is no less important to our understanding of narrative Victorian culture and the possibilities of fiction Reading works by Charles Dickens George Eliot Henry James John Henry Newman and Virginia Woolf Rainof exposes the little discussed theological underpinnings of plot and situates the novel of maturity in intellectual and religious history notably the Oxford Movement Purgatory a subject hotly debated in the period becomes a guiding metaphor for midlife adventure in secular fiction Rainof discusses theological models of gradual maturation thus directing readers attention away from evolutionary theory and geology and offers a new historical framework for understanding Victorian interest in slow and deliberate change Dream of Gerontius Newman John Henry, 1901 Secularism and the Pursuit of Transcendence, Volume II Stanley E. Porter, Wendy J. Porter, 2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us A History of English Literature Michael Alexander, 2017-07-06 This comprehensive text traces the development of one of the world s richest literatures from the Old English period through to the present day discussing a wide range of key authors without losing its clarity or verve Building on the book s established reputation and success the third edition has been revised and updated throughout It now provides a full final chapter on the contemporary scene with more on genres and the impact of globalization This accessible book remains the essential companion for students of English literature and literary history or

for anyone wishing to follow the unfolding of writing in England from its beginnings It is ideal for those who know a few landmark texts but little of the literary landscape that surrounds them those who want to know what English literature consists of and those who simply want to read its fascinating story New to this Edition Fully revised throughout A full final chapter on contemporary writing with closer attention paid to the growing diversity of literatures in English in the British Isles
