## Going Local:

Going Local Michael Shuman,2013-06-17 National drug chains squeeze local pharmacies out of business while corporate downsizing ships jobs overseas All across America communities large and small are losing control of their economies to outside interests Going Local shows how some cities and towns are fighting back Refusing to be overcome by Wal Marts and layoffs they are taking over abandoned factories switching to local produce and manufactured goods and pushing banks to loan money to local citizens Shuman details how dozens of communities are recapturing their own economies with these new strategies investing not in outsiders but in locally owned businesses **Breaking Through the Noise** Matthew

Eshbaugh-Soha,Jeffrey S. Peake,2011-08-15 Modern presidents engage in public leadership through national television addresses routine speechmaking and by speaking to local audiences With these strategies presidents tend to influence the media s agenda In fact presidential leadership of the news media provides an important avenue for indirect presidential leadership of the public the president s ultimate target audience Although frequently left out of sophisticated treatments of the public presidency the media are directly incorporated into this book s theoretical approach and analysis The authors find that when the public expresses real concern about an issue such as high unemployment the president tends to be responsive But when the president gives attention to an issue in which the public does not have a preexisting interest he can expect through the news media to directly influence public opinion Eshbaugh Soha and Peake offer key insights on when presidents are likely to have their greatest leadership successes and demonstrate that presidents can indeed break through the noise of news coverage to lead the public agenda **Bridge Men's Magazine** ,1920 *Going Local* Michael Shuman,1998
