**Brief Glances of an Angel** Edward Quiles,2021-01-08 The aspiration of this unique book is to give the future back to our children and their children True love and emotions that enlightens everyone s heart and mind will soon come again into the hearts of this world Our emotions and broken souls are the voices of one crying out from their imprisonment I have come to realize I can write with a conscious spirit The emotions of my subconscious heart have become the translator of my soul I am not afraid to tell humanity of my emotions and tribulation of my life Facing these fears on paper helped me to climb out of cesspools and anger Hopefully and knowing my inscription will expose some inner impressions that others find difficult to release Every day we make thousands of choices and the quality of loving is determine by the maturity of each choice we make Remember that our spirit is always with us even though we may not feel its existence or notice it The emotions of my heart have no memories just brief glances within the soul All my life I have dealt with lady luck and no love These gathered poems as they are here they are a testimonial to the power of love and to present a tapestry of emotions of the soul
