The Sons of Light Warren M Mueller,2018-11-20 The Dawn Herald Trilogy concludes with the revelation of the identities of the twelve sons of light The survivors of the fall of the last stronghold resisting the Brotherhood of Andhun seek refuge among the elves in the Valley of Glainne A council is called during which the Creator appears as a shimmering globe of light Tom Oriana Min and others receive different telepathic instructions about quests that they must complete before the sons of light are revealed Thus begins several parallel stories that converge in a climactic battle as the armies of Devlin surround and invade the Forbidden Mountains which holds a glowing slab of rock with magical powers Don't miss the conclusion of this exciting adventure in which an ancient prophecy is fulfilled and selected beings are transformed into sons of light that herald a new age in the history of the earth

*Kingdoms in Turmoil* Warren M Mueller,2017-09-22 The epic tale of the Dawn Herald Trilogy continues in Kingdoms in Turmoil The Brotherhood of Andhun begins to impose their beliefs on the world of humans ending a thousand year period of peace among its kingdoms Conflicts abound between opposing armies and extend to many levels as members of families and friends either embrace or resist the new order The sons of light continue to emerge and Tom discovers how to use his magical seeing stone He is captivated by a feisty princess named Oriana who becomes a leader of those opposed to the new order This book is a desperate journey to rally resistance to the new world order It also is a tale of young love identity and purpose that provide tension that makes this a compulsive read

**The Past and Future King** Warren M. Mueller,2017-02-13 The Past and Future King transports the reader to another world filled with compelling characters that move the imagination More than a fantasy book it is a story with ageless relevance to the great themes of life such as adventure love redemption and fulfillment Warren M Mueller has written a great fantasy in The Past and Future King that takes readers on an adventure of good versus evil where mythical characters of the sort readers have found in the worlds of Tolkien and Lewis struggle for world domination Readers will follow the adventures of Tom the main character as he journeys to discover his identity and purpose He loves to read and becomes a friend of Willet the Scribe who shares his trunk full of books of history and legends and warns Tom that reading them will expand and transform his mind because the words within them will come alive Tom shares with Willet about a recurring dream and Willet tells him that the dream should not be ignored Through this adventure readers see how dreams bridge the worlds of fantasy and reality Author Warren Mueller takes us into these unknown realms and readers are able to vividly see all that is happening I believe the strength of this book is the wonderfully written descriptions which allow the reader to experience the adventures and the tension that the story brings with it
