For Writers Only:

For Writers Only Sophy Burnham, 1994 I see but one rule to be clear Stendhal If only it were as easy for most writers as it was for Stendhal The truth about the act of writing is much more varied even violent In fact there seem to be as many contradictory admonitions about how to go about doing it as there are writers themselves With that in mind writer Sophy Burnham has collected the thoughts of some of the greatest writers and laced them with her own observations and experiences of the writer's life With an emphasis on the emotions that writing wrings from those who practice it Burnham writes about beginning a work prematurely the ecstasy when the writing is really flowing the crash that can follow the flight and how to pick yourself up and continue Most of all you will be reassured enlightened and inspired to learn that in your own writing struggles you are not alone

Only Victims Robert Vaughn, 1996 In a dramatic change of role the noted television and film star has written a vivid and incisive account of the House Committee on Un American Activities probe of the entertainment industry from 1938 to 1958 Formed to investigate alleged subversives by the late fifties the committee had succeeded in ruining the careers and sometimes the lives of many of Hollywood and Broadway's top writers and performers Quoting generously from transcripts of its hearings Vaughn shows how the committee's primary purpose was punitive rather than legislative and concludes that its most serious damage to American theatre and film is not easily documented the loss of all the words never written or spoken because of the impact and the fear of the committee's misdeeds
